

Summer Lives Here: A Kid-Friendly Escape Awaits at Solaire Resort North

Quezon City, Metropolitan Manila Area Apr 20, 2026 ([Issuewire.com](https://www.issuewire.com)) - As the school year ends and summer begins, Solaire Resort North invites families to embrace a season of elevated leisure and shared memories. [Quezon City's first and only five-star luxury integrated resort](#) sets the scene for a refreshing summer escape for all ages, where thoughtfully designed spaces and tailored experiences come together to create meaningful time without leaving the Metro.

For those seeking a seamless and worry-free stay, the “Stay and Play Getaway” package offers the perfect starting point. A restful room stay sets the tone for unhurried days, while little ones are welcomed into the Kids Club with complimentary access and special treats that make the experience feel entirely their own. Mornings begin with a generous breakfast spread at Fresh International Buffet, creating a natural rhythm that allows families to ease each day without rush, focusing instead on time shared together.

From there, the experience unfolds across the resort like a collection of discoveries waiting to be explored through family-friendly walkways that invite guests to wander at a gentle pace. A simple lunch can turn into a small culinary adventure beginning with familiar comforts at Trattoria e Dolci, where pizzas and pastas are best enjoyed alongside scoops from its vibrant selection of homemade gelato.

Families can then move effortlessly across cuisines and moods, settling into refined Italian dishes at Finestra, savoring the precision of Japanese specialties at Yakumi, or rediscovering the warmth of Filipino and Kapampangan flavors at Manyaman. Whether it is a shared table at Red Lantern or an abundant buffet spread at Fresh International Buffet, each dining journey feels like part of a larger story told through taste.

At the heart of the property is a space where children are free to learn and discover. The Kids Club rises across five levels; a lively indoor world designed for curiosity and movement. Interactive zones invite exploration, activity-driven spaces spark imagination, and a dedicated snack bar keeps the energy going. On weekends, an added layer of delight comes in the form of *Solar*, the resort's sunny companion, whose presence brings unexpected moments of joy that children carry with them long after the visit ends.

When it is time to step outside, the energy shifts to open-air play and relaxation. Families can cool down with a refreshing swim in the infinity pool with sweeping skyline views, while younger guests can gravitate toward the adjacent Waterpark for a splash-filled fun. Just one level above, bond together at the Outdoor Fitness Deck for friendly basketball or pickleball matches that can keep everyone moving under the open sky.

As the evening settles, parents can retreat into a space of serenity at the Spa, where soothing fragrances and a warm ambiance create an immediate sense of calm. Release muscle tension and melt stress away with the Solaire Signature Massage, a harmonious blend of Eastern and Western techniques designed to restore balance and promote deep relaxation. Complete the wellness journey with rejuvenating treatments such as foot spa or facial, offering a well-deserved break after a full day of amusement.
