

Teasdale Fenton Sarasota Now Offering Professional Air Duct Cleaning Services

Advanced cleaning solutions expand to improve indoor air quality for homes and businesses across Florida's Gulf Coast.

Sarasota, Florida Apr 22, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Teasdale Fenton Sarasota is expanding its service lineup with the addition of professional [air duct cleaning](#), giving homeowners and businesses a new way to breathe easier indoors.

Already known across the Gulf Coast for expert [carpet](#), [floor](#), and [restoration services](#), Teasdale Fenton Sarasota continues to grow by focusing on what matters most: cleaner, healthier living spaces. As a locally owned and operated, family-owned business, the company is also fully **licensed, insured, and bonded** (CRC1332133, MRSA2670, MRSR2856, CAC1821565), giving customers added confidence in every service provided.

Air ducts often go unseen. But over time, they collect dust, allergens, and debris that circulate through a home or building. With this new service, Teasdale Fenton Sarasota helps remove those hidden contaminants, improving air quality and supporting a cleaner indoor environment.

“This is a natural next step for us,” said Troy Purdin, Vice President of Cleaning Operations. “We’ve always focused on deep cleaning, from carpets and upholstery to tile and rugs. Air duct cleaning allows us to go even further and help customers improve the air they breathe every day.”

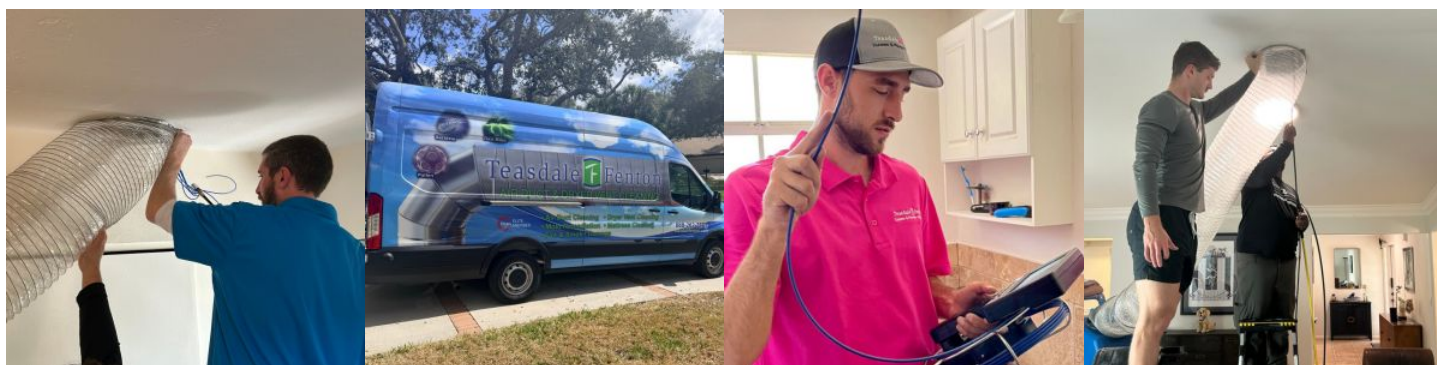

[Teasdale Fenton Sarasota](#) has built a strong reputation by combining advanced equipment with experienced technicians. The company offers a wide range of cleaning and restoration services, including carpet cleaning, tile and grout cleaning, upholstery care, and 24/7 emergency response for water, mold, and storm damage.

With teams available around the clock, the company is known for fast response times and results that customers can see and feel.

The addition of air duct cleaning strengthens Teasdale’s position as a full-service cleaning provider, one that looks beyond surfaces and focuses on the entire indoor environment.

From Sarasota to Bradenton, Lakewood Ranch, and surrounding communities, customers now have access to a more complete approach to cleanliness and comfort.

At its core, the mission remains simple: deliver high-quality service, use the right tools for the job, and never stop until the customer is satisfied.
