

TekPro Plumbing Launches New Website, Expands Emergency Plumbing Services to Greater Cleveland Area

Lakewood-based plumbing company announces expanded service coverage across Greater Cleveland and surrounding suburbs.

Lakewood, Ohio Apr 12, 2026 ([IssueWire.com](https://www.issuewire.com)) - *Lakewood-based plumbing company announces expanded service coverage across Greater Cleveland and surrounding suburbs*

TekPro Plumbing, a full-service plumbing contractor based in Lakewood, Ohio, has announced the launch of its new website along with an expansion of its service area.

TekPro covers Greater Cleveland and the surrounding suburban communities. This expansion makes TekPro Plumbing's service available to a larger customer base.

They offer emergency plumbing, drain cleaning, and residential plumbing services throughout Northeast Ohio.

The new website provides Greater Cleveland residents with easy access to service information. It also makes it easy to schedule service.

"We've been helping people with their plumbing issues for over 30 years and demand has made expansion a natural next step," said Robert Hanna, owner of TekPro Plumbing. "The new website makes it easier than ever for Cleveland area residents to reach us when they need a reliable plumber fast."

TekPro Plumbing offers a full range of residential and commercial plumbing services. These include emergency plumbing repairs, drain cleaning, water heater installation, and more.

The company's expanded service area now includes Lakewood, Cleveland, Rocky River, Westlake, Fairview Park, North Olmsted, Olmsted Falls, Strongsville, Parma, and surrounding Greater Cleveland communities.

The new website is now live and accepting service requests from customers throughout the expanded coverage area.
