

The Best Reviewed local, family-owned roofing company in Phoenix, Arizona!

The best-reviewed local, family-owned roofing company in Phoenix offering the best residential and commercial roofing services in Arizona.

Phoenix, Arizona Apr 10, 2026 (Issuewire.com) - Canyon State Roofing is owned and operated by a family that was born and raised right here in our great state of Arizona. If you need a roof replacement, or roof repair, we would love to earn your business.

We strive everyday to be the best residential and commercial roofer in Arizona. In today's tough market, we know you have a choice in whom you hire to complete your roofing project. When you choose Canyon State Roofing, you can rest assured your hard earned dollars are staying right here in your community.

If your roof leaks, and you need a roof repair or replacement, give us a call at 602-400-1635 today to schedule your complimentary consultation. Canyon State Roofing is owned and operated by natives of Arizona. We know how to install roofs that can withstand our unique desert climate, and our brutal Arizona Sun. Jim McLain, owner of Canyon State Roofing, has been roofing in Arizona since the 1980's!

Canyon State Roofing is now offering many discounts to entice you to try us out. That, backed by our airtight warranties, customer service by people who actually care, and quality craftsmanship and materials make it a win-win-win for all our customers. Please check out our A+ rating with the Better Business Bureau! Canyon State Roofing has been working hard become the most respected of all commercial roofing contractors in Phoenix, AZ. Our office is headquartered in Phoenix, Arizona, but we do work all over the valley.

You can reach our office by phone at (602) 400-1635 or visit our website at <http://canyonstateroofs.com>
