

The Time Has Come Delivers a High-Stakes Adventure Where Every Path Converges

Brock Bodenschatz's Novel Weaves Treasure, Revenge, and Fate Into a Gripping Coastal Thriller

Los Angeles, California Apr 14, 2026 (IssueWire.com) - *The Time Has Come* by Brock Bodenschatz is a pulse-pounding adventure novel that brings together long-buried secrets, intersecting pasts, and a race against time. At the center of the story is a man who has spent his life chasing a legendary treasure tied to his ancestry. As he draws closer to uncovering the truth, the past resurfaces in dangerous ways. Grave robbers driven by revenge, unlikely travelers sailing north, and shadowy figures with their own agendas all move toward the same destination—Long Island's East End.

What begins as separate journeys from places like Key West soon reveals a deeper connection among all involved. Chance encounters from years earlier resurface, altering motivations and raising the stakes for everyone. With a voodoo priestess, hardened criminals, sailors, and seekers of fortune on a collision course, carefully laid plans unravel as fate asserts its own design. The novel builds relentlessly toward a final confrontation where alliances blur, intentions are tested, and survival depends on confronting both

the past and the present.

Early reader response has praised *The Time Has Come* for its fast pacing, vivid settings, and layered storytelling, highlighting the way the novel keeps tension high while gradually revealing how each character's history is intertwined. Reviewers have noted the book's immersive sense of movement—from open water to coastal towns—and its ability to balance action with mystery.

Author Brock Bodenschatz draws inspiration from a life shaped by sailing, surfing, motorcycling, and martial arts, lending authenticity and grit to the story's physical and emotional landscapes. Written by someone who came of age before technology dominated daily life, *The Time Has Come* is a thrilling reminder that destiny often arrives when least expected—and never on anyone's schedule. *The Time Has Come* book will be displayed at the LA Times Festival of Books, and readers may visit Olympus Story House booth #182 (Gold Zone)
