

The Trusted Partner in Complete Welding Solutions – KeyGree Group

Wenzhou, Zhejiang Apr 15, 2026 (Issuewire.com) - Founded in 2009 as a wholly foreign-owned enterprise, KeyGree Group has grown into a comprehensive welding industry leader, combining global vision with deep manufacturing expertise in China.

Who We Are

We integrate the entire welding supply chain — both vertically and horizontally — under one roof:

- Two specialized manufacturing facilities in China:
 - Wenzhou KeyGree Electric Co., Ltd. — R&D Center + Customization Hub
 - Chengdu KeyGree Technology Co., Ltd. — High-Volume Production Base
- Full-category coverage: welding machines, robots, accessories, consumables, laser equipment, protective gear
- One-stop supply chain integration — from R&D to finished products

Our Infrastructure & Capacity

- Factory area: 60,000[?]+
- Annual manufacturing volume: 700,000+ units of welding equipment
- Vertically integrated in-house facilities: machining, sheet metal, injection molding, PCB processing, transformer & heat sink production, assembly lines for welding machines, torches, and laser products

Certified Quality

[?] CCC, CE, ISO9001:2000, BSCI, FCCA certified

[?] Full product range covering industrial & household lines
