

UniGlobe Partners Launches Global E-Commerce Infrastructure for Non-Resident Founders

UniGlobe Partners introduces an all-in-one solution for international entrepreneurs to establish US-based businesses, providing LLC formation, Tax IDs, and merchant processing.

Singapore, Singapore Apr 2, 2026 ([Issuewire.com](https://www.issuewire.com)) - UniGlobe Partners, a leading corporate services firm, is officially removing the traditional barriers for international entrepreneurs looking to scale in the global e-commerce market. By providing a comprehensive infrastructure for non-residents, the firm enables founders to launch and manage businesses in the US and other premium jurisdictions without the need for physical relocation.

With a proven track record of over 3,000 registered companies and 15,000 satisfied customers, UniGlobe Partners addresses the most significant challenges faced by global sellers. Their core services include expedited Federal Tax ID (EIN) processing without an SSN, physical US office addresses with mail management, and specialized LLC formation in Delaware, Wyoming, and Florida.

Beyond incorporation, UniGlobe Partners bridges the gap between international businesses and their customers through robust payment solutions. The firm assists in securing Tier-1 merchant accounts like Stripe and PayPal, and provides specialized high-risk processing for industries including Nutra and Gaming. By offering tax optimization across Singapore, the UAE, and the Seychelles, the firm ensures that visionary founders can protect their assets while minimizing global exposure.

"We handle the bureaucracy so founders can focus on growth," the company stated. "Our goal is to make global scaling strategic and remarkably straightforward for established businesses and new entrepreneurs alike."

From remote banking setup to annual compliance, UniGlobe Partners provides the ongoing support necessary to keep international businesses operational across multiple time zones.
