

## A New Nightlife Experience Unfolds at Solaire Resort North

**Quezon City, Metropolitan Manila Area May 20, 2026 ([Issuewire.com](https://www.issuewire.com))** - Evenings in Quezon City are beginning to look different. As the city's first and only five-star integrated resort, Solaire Resort North is redefining the usual after-hours culture through curated nightlife experiences, from Italian-style aperitivo sessions at Finestra to lively Ladies' Nights across Skybar, Finestra, and Quezon Club, bringing together food, drinks, music, and atmosphere in one destination.

As more people seek places where nights feel less rushed and more meaningful, Solaire Resort North offers experiences designed around connection and celebration. Whether for unwinding after work, gathering with friends over cocktails, or turning an ordinary dinner into a night that lasts a little longer, the resort creates spaces where guests can ease into the evening at their own pace.

At Finestra, guests are invited to experience the Italian tradition of *Aperitivo*, a social ritual centered on slowing down before dinner through drinks and light bites shared in good company. Inspired by Italy's rustic regional flavors, the experience includes 90 minutes of free-flowing drinks paired with a thoughtfully curated selection of aperitivo offerings starting at Php 900++ per guest. Guests may also continue the evening with a two-course meal featuring a choice of pasta and main course, transforming simple dinners into a more immersive and lingering dining experience.

As the evening unfolds, the energy shifts across the resort's nightlife spaces. Every Thursday, Skybar,

Finestra, and Quezon Club become vibrant social destinations for ladies looking to celebrate the night with friends. Guests may enjoy three hours of unlimited drinks along with a serving of canapés at Finestra, creating an atmosphere that feels lively yet elevated against the backdrop of the Quezon City skyline. The experience is available for Php 1,495++ for Solaire Rewards members, and Php 1,750++ for non-members.

What makes the experience distinct is how seamlessly the night moves from one mood to another within the property. Guests can begin with sunset cocktails and intimate conversations, continue with dinner, and end the evening surrounded by music and a more vibrant crowd without needing to leave the resort. More than simply offering dining and drinks, Solaire Resort North creates a complete nightlife experience shaped by the rhythms of how people now want to socialize, celebrate, and spend their evenings.

Guests may also enjoy exclusive dining, accommodation, and lifestyle privileges through the Solaire Rewards program, especially as Solaire Resort North celebrates its 2nd anniversary from May 23 to 25 with special promotions across the property.
