

A Powerful Spiritual Memoir Returns: The Spiritual Journey of a Confused Man! – Revised Edition by Lance Dickson

New York City, New York May 19, 2026 (IssueWire.com) - A deeply personal and faith-driven journal chronicling one man's journey through uncertainty, hardship, and spiritual awakening.

The Spiritual Journey of a Confused Man!: Revised Edition by Lance Dickson offers readers an

intimate and inspiring look into the author's personal walk with faith during one of the most challenging periods of his life.

Originally published in 2010, this revised edition presents the same impactful content in an enhanced format, including a new cover, larger font, added photos, and corrected grammar, making it more accessible and engaging for today's readers.

At its core, the book is a real-time spiritual journal written while Dickson served in the military, navigating life as a Christian amid personal struggles, including divorce, fatherhood, and the isolating demands of submarine service. Faced with confusion and hardship, he turned to scripture, documenting Bible passages, reflections, and insights that provided him with strength, clarity, and direction.

Structured as a guided journey, the book is organized into daily readings spanning several weeks, encouraging readers to reflect, meditate, and listen for spiritual guidance in their own lives. Through scripture-based entries and personal insight sections, readers are invited to engage actively with their faith and discover renewed purpose.

This revised edition continues to serve as both a devotional resource and a testimony of resilience, reminding readers that even in moments of uncertainty, faith can provide comfort, healing, and direction.

About the Author

Lance Dickson, born in Harlem, NY, and raised in Cleveland, Ohio, is a retired military veteran with over 20 years of service. He holds a bachelor's degree in workforce education, an MBA, and a master's degree in Education with New Technologies. Recognized as a national fatherhood advocate, he received the Spirit of Fatherhood Award for his contributions to strengthening families and communities.

Dickson is the author of several faith-based and motivational books, including *When a Father Cries!*, *Grace, Mercy & Faith: The Keys to Spiritual Empowerment*, *The Battle is On!: Spiritual Martial Arts*, and *Mental Martial Arts: Using Educational Principles to Combat Life Challenges*. His work reflects a commitment to personal growth, faith, and empowering others through life's challenges.
