TWO CONNECTED SOULS

BRUCE K. ROYER

Tomah, Wisconsin May 8, 2026 (IssueWire.com) - *Two Connected Souls*, the deeply moving debut by author Bruce K. Royer invites readers into an emotional and thought-provoking journey that explores the unbreakable bond between a father and his son, one that transcends even the boundaries of life and death.

Blending heartfelt realism with a touch of the spiritual, *Two Connected Souls* captures the raw experience of a family facing profound loss while simultaneously unveiling a vivid and imaginative journey into another realm. Royer skillfully contrasts these two worlds, creating a narrative that is both heart-wrenching and uplifting. The result is a story that resonates long after the final page, encouraging reflection on the enduring nature of love and the unseen connections that bind us.

With authentic characters and emotionally rich storytelling, the novel appeals to readers who appreciate inspirational fiction, spiritual themes, and deeply personal family narratives. It is a compelling reminder that love does not end at the edge of the unknown; it endures, reaches across the darkness, and ultimately lights the way home.

A Story Rooted in Real Experience

Bruce K. Royer's journey to becoming an author is as compelling as the story he tells. Beginning his career in the construction industry at just 19, Royer built and operated a successful business for 27 years, employing over a hundred people at its peak. However, a series of life-altering events beginning with the passing of his younger brother in hospice in 2010 shifted his path dramatically.

Inspired by this deeply personal loss, Royer began writing *Two Connected Souls* as a way to process grief and explore the idea of connection beyond the physical world. Completed in 2014, the manuscript remained unpublished for years until encouragement from his children who were profoundly moved by the story sparked his decision to finally share it with the world.

Growing Recognition and Media Engagement

The book's release has been supported by press announcements with Spine Publishing, a feature from Literary Titans, and a podcast interview with Logan Crawford, helping introduce Royer's story to a wider audience.
