

Ace Care Expands NDIS Services Across Melbourne and Sunshine, Strengthening Disability Support in Victoria

Trusted disability services and support organisation strengthens its commitment to Victorian communities through expanded short-term accommodation, respite care, and supported independent living offerings.

Melbourne, Victoria May 7, 2026 ([Issuewire.com](https://www.issuewire.com)) - [Ace Care](#), one of Australia's most trusted NDIS Provider organisations, today announced the expansion of its disability services across two key service areas in Victoria: [Melbourne](#) and [Sunshine](#). The expansion marks a significant milestone for the registered NDIS Provider, reinforcing its commitment to delivering personalised, high-quality care to individuals living with disabilities throughout the region.

As demand for reliable disability support continues to grow across Victoria, Ace Care is positioning itself as the go-to [NDIS Provider in Melbourne](#) for participants seeking compassionate, professional, and outcomes-driven care. The organisation's expansion into Melbourne and Sunshine ensures that more Victorians can access tailored support that promotes independence, dignity, and inclusion within their local communities.

Meeting a Growing Need for Quality Disability Support

The decision to extend services across these two locations reflects the increasing need for a dependable NDIS Provider that genuinely understands the lived experience of participants and their

families. Ace Care's expansion responds directly to community feedback and the rising demand for short-term accommodation, respite care, and supported independent living arrangements that prioritise both wellbeing and choice.

"Our mission has always been to walk alongside people living with disability and empower them to live the life they choose," said a spokesperson for Ace Care. "By extending our service areas to Melbourne and Sunshine, we're making it easier for participants and their families to access an NDIS Provider they can rely on — one that truly listens, adapts, and delivers."

Comprehensive Services Tailored to Every Participant

As a fully registered NDIS Provider, Ace Care offers a comprehensive suite of [disability services](#) designed to meet the unique needs of each individual. These include:

- **[Short-Term Accommodation \(STA\) and Respite Care](#)**: Safe, welcoming environments for participants needing temporary stays, providing both respite and the chance to build life skills.
- **[Supported Independent Living \(SIL\)](#)**: Tailored living arrangements that empower participants to develop independence in a supportive home environment.
- **[Community Participation](#)**: Engaging programs that help participants connect with their community, build social networks, and pursue meaningful activities.
- **General Disability Support and NDIS Assistance**: Day-to-day support and personalised care planning aligned with each participant's NDIS goals.

Every service offered by Ace Care is delivered by experienced, qualified support workers who undergo rigorous training, ensuring that care is consistent, respectful, and aligned with the values of the NDIS framework.

Why Victorians Are Choosing Ace Care as Their NDIS Provider

Choosing the right NDIS Provider is one of the most important decisions a participant or family can make. Ace Care has built its reputation on three core principles: trust, transparency, and tailored care. Each participant receives a customised plan developed in close collaboration with their support network, ensuring that goals, preferences, and aspirations are at the centre of every decision.

Ace Care's strong local presence as a [trusted NDIS Provider in Sunshine](#) and across Melbourne means participants benefit from a community-focused team with deep ties to the region. The team understands the nuances of Victorian life, the local services landscape, and the cultural diversity that makes these communities so vibrant.

Promoting Independence, Wellbeing, and Inclusivity

At the heart of Ace Care's philosophy is the belief that every individual deserves to live a full, meaningful life. The organisation's approach goes beyond traditional support — focusing on building confidence, fostering social connection, and helping participants achieve their personal goals. Whether it's learning new skills, accessing the community, or simply enjoying greater independence at home, Ace Care empowers participants every step of the way.

The expanded service areas will also enable Ace Care to strengthen partnerships with allied health professionals, community organisations, and local advocacy groups — creating an integrated support network that benefits participants and their families.

Looking Ahead

With the expansion across Melbourne and Sunshine now underway, Ace Care is preparing for further growth across Victoria, with plans to onboard additional support workers, expand accommodation options, and introduce new programs that respond to the evolving needs of NDIS participants. The organisation remains firmly committed to its founding promise: to deliver quality disability support that puts people first.
