

Algerian Rap Artist HRK OFF Prepares to Launch New Single Globally

The upcoming track marks a new milestone in the artists creative and independent musical journey.

Awlad Yaysh, Blidah May 24, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Independent Algerian rap artist and digital creator Hichem Riad Khireddine, known professionally as HRK OFF, has officially announced the upcoming release of his highly anticipated new track, titled "Basma" (Fingerprint). The single is scheduled to launch globally across all major music streaming platforms, including Spotify and

Anghami, on May 31, 2026.

"Basma" represents a pivotal milestone in HRK OFF's musical journey. Deeply rooted in personal experiences and emotional storytelling, the track blends striking cinematic soundscapes with profound lyrical depth. Known for his minimalist yet modern creative vision, HRK OFF delivers a powerful performance that reflects resilience, personal growth, and authentic artistic expression.

The track honors pivotal moments in the artist's life, channeling deep personal motivation into a universal message that resonates with listeners. Through this release, HRK OFF continues to solidify his presence in the independent music scene, showcasing a unique fusion of contemporary rap dynamics and cinematic aesthetics.

"This project is more than just a song; it is a permanent mark and a reflection of a dedicated artistic vision," stated HRK OFF. "I wanted to create something authentic that connects with the audience on a deeper level and showcases the evolution of independent Algerian rap on global platforms."

Following his notable participation in the Digital Creator Awards (DCA) in Algeria, HRK OFF has consistently expanded his digital footprint, bridging the worlds of software development, digital branding, and music production. The release of "Basma" on May 31 marks a new chapter in his multifaceted creative career.
