

America's Best in Medicine Profiles Michael Gebetsberger, MD, FACP: Hospitalist at McAlester Regional Medical Center

Board-Certified Physician, Educator, and Community Advocate Brings Decades of Experience in Acute Care, Chronic Disease Management, and Patient-Centered Medicine

Tulsa, Oklahoma May 19, 2026 (Issuewire.com) - Michael Steven Gebetsberger, MD, FACP, is a board-certified internal medicine physician whose extensive clinical experience and dedication to patient

care have made him a respected leader in hospital medicine and internal medicine throughout Oklahoma. With a career spanning inpatient care, outpatient medicine, critical care, academic instruction, and healthcare leadership, Dr. Gebetsberger continues to provide comprehensive medical care focused on improving patient health and quality of life.

Dr. Gebetsberger currently serves as a Hospitalist at McAlester Regional Medical Center, where he has practiced since 2019. In this role, he manages adult patients with a broad range of acute and chronic medical conditions, utilizing a patient-centered approach that emphasizes individualized care, communication, and long-term wellness.

Prior to joining McAlester Regional Medical Center, Dr. Gebetsberger worked as a General Internist with Utica Park Clinic and also served as an Intensive Care Hospitalist at Saint John Hospital. These diverse roles allowed him to develop broad expertise in hospital medicine, outpatient internal medicine, and critical care management, treating patients with medically complex conditions across multiple healthcare settings.

“What I enjoy most about practicing medicine is the opportunity to connect with patients and help them improve their health and quality of life,” says Dr. Gebetsberger. “Being able to guide someone through a challenging diagnosis or support them in managing a chronic condition is incredibly rewarding. I find it fulfilling to witness the positive impact that attentive, personalized care can have on a patient’s well-being.”

Dr. Gebetsberger earned his Doctor of Medicine Degree from the University of Oklahoma College of Medicine. He completed his Internal Medicine Internship at the University of Wisconsin Hospital and Clinics, followed by his Internal Medicine Residency at the University of Kansas School of Medicine. He also pursued additional training in Obstetrics and Gynecology at the University of Oklahoma College of Medicine, further strengthening his clinical foundation.

Beyond his clinical responsibilities, Dr. Gebetsberger has remained actively involved in academic medicine and healthcare leadership. He previously served as an Instructor of Internal Medicine at the University of Kansas School of Medicine and the Veterans Administration Hospital in Wichita. Over the years, he has held numerous committee leadership positions, including Pharmacy and Therapeutics Committee Chair, while contributing to hospital quality improvement and medical oversight initiatives.

A Fellow of the American College of Physicians, Dr. Gebetsberger has earned recognition for excellence in teaching, leadership, and academic achievement. He has also demonstrated a longstanding commitment to community service through volunteer work with the Neighbor-for-Neighbor Healthcare Clinic and leadership involvement with the Alzheimer’s Association Oklahoma Chapter.

Through his dedication to compassionate care, medical education, and community engagement, Dr. Gebetsberger continues to make a meaningful impact on patients, colleagues, and healthcare organizations across Oklahoma.
