

## America's Best in Medicine Spotlights Thomas J. Gilbert III, DO: Advancing Wound Care and Hyperbaric Medicine

Board-Certified Emergency Medicine and Hyperbaric Physician Combines Clinical Leadership, Advanced Therapeutic Expertise, and Patient-Centered Care at MVS Wound Care & Hyperbarics

**Darlington, Maryland May 11, 2026** ([IssueWire.com](http://www.IssueWire.com)) - Thomas J. Gilbert III, DO, is a highly respected Board-Certified Emergency Medicine Physician and hyperbaric medicine specialist serving

as Chief Medical Officer of MVS Wound Care & Hyperbarics, with locations in Cockeysville and Westminster, Maryland. Recognized for his expertise in advanced wound care and Hyperbaric Oxygen Therapy (HBOT), Dr. Gilbert brings extensive clinical and leadership experience to the treatment of patients with complex and chronic medical conditions.

Board Certified in both Emergency Medicine and Hyperbaric Medicine, Dr. Gilbert oversees the strategic and clinical operations of MVS Wound Care & Hyperbarics while remaining actively involved in direct patient care. His leadership approach combines operational oversight with hands-on clinical practice, ensuring patients receive evidence-based, high-quality treatment grounded in the latest advancements in wound care and hyperbaric medicine.

At MVS Wound Care & Hyperbarics, Dr. Gilbert specializes in the use of Hyperbaric Oxygen Therapy, an advanced treatment that delivers concentrated oxygen in a pressurized environment to promote healing, improve tissue recovery, and support the treatment of chronic wounds and other complex medical conditions. His expertise has helped position the organization as a trusted provider of specialized wound management services throughout the region.

Prior to joining MVS Wound Care & Hyperbarics, Dr. Gilbert played a pivotal role in the development and launch of a hyperbaric medicine program at Meritus Health in Hagerstown, Maryland. His work in establishing and scaling specialized clinical services demonstrated both his medical expertise and his ability to lead innovative healthcare initiatives that improve patient access to advanced therapies.

Dr. Gilbert earned his Doctor of Osteopathic Medicine Degree from A.T. Still University Kirksville College of Osteopathic Medicine. He completed both his internship and emergency medicine residency training at Naval Medical Center San Diego in California, where he developed the strong clinical foundation that continues to guide his practice today.

A recognized leader in his field, Dr. Gilbert is a Fellow of the American College of Emergency Physicians, the American College of Hyperbaric Medicine, and the American Professional Wound Care Association. He also maintains an active membership in the Undersea and Hyperbaric Medical Society, reflecting his ongoing commitment to professional advancement and clinical excellence.

Dr. Gilbert's medical practice uniquely bridges emergency medicine with specialized wound and hyperbaric care, enabling him to provide comprehensive treatment for patients facing both urgent medical challenges and long-term healing needs.

"Taking care of patients is what I enjoy most about practicing medicine," Dr. Gilbert shared. "Caring for patients gives me a lot of enjoyment, and I especially love seeing patients get well. That's really what drives me in my work every day."

Through his dedication to innovation, patient recovery, and compassionate care, Dr. Thomas J. Gilbert III continues to make a meaningful impact in the fields of emergency medicine, wound healing, and hyperbaric therapy.
