

Aspire Medical Group Brings Comprehensive Primary Care and Advanced Aesthetic Services to North Atlanta

Board-Certified Physician Dr. Nandini Sunkireddy Offers Same-Day Appointments, Telemedicine, Menopause Care, Obesity Medicine, and Laser Treatments Under One Roof in Cumming, GA

Cumming, Georgia May 30, 2026 ([Issuewire.com](http://www.Issuewire.com)) - Aspire Medical Group, a physician-founded primary care and medical aesthetics practice located at 5820 Clarion St, Suite 101, Cumming, GA 30040, is proud to announce the expansion of its patient-centered services to residents across North

Atlanta and surrounding communities including Ball Ground, Canton, Suwanee, Milton, Alpharetta, Roswell, Buford, and Dawsonville.

Founded by Dr. Nandini Sunkireddy — board-certified in Family Medicine, Lifestyle Medicine, and Obesity Medicine with over 11 years of clinical experience — Aspire Medical Group was built on a simple but powerful belief: every patient deserves to be heard, respected, and supported on their health journey.

"My goal was to create a practice where patients don't feel rushed — where we take the time to understand the full picture of their health and design a plan that truly works for them." — Dr. Nandini Sunkireddy, Founder, Aspire Medical Group

A Full Spectrum of Healthcare Services

Aspire Medical Group offers a comprehensive range of medical and aesthetic services, making it a true one-stop healthcare destination for individuals and families in North Georgia:

- Primary Care & Preventive Medicine — Routine physicals, chronic disease management, wellness exams, and personalized long-term care for patients of all ages.
- Acute Urgent Care — Same-day appointments for non-emergency illnesses and injuries, so patients get timely care without long ER wait times.
- Menopause Care — Specialized, evidence-based treatment plans to help women navigate hormonal changes with confidence and comfort.
- Obesity & Weight Management — Medically supervised weight loss programs combining lifestyle medicine, nutrition counseling, and FDA-approved therapies.
- Telemedicine — Convenient virtual visits for follow-up care and select health concerns, accessible from home.
- Aesthetic Medicine — Non-surgical cosmetic treatments to help patients look and feel their best.
- Laser Services — Advanced laser technology for hair removal, tattoo removal, facial rejuvenation, toenail fungus treatment, and skin solutions including the proprietary Total Skin Solution™ and eCO Tone™ programs.
- PCOS & Women's Health — Specialized support for polycystic ovarian syndrome and related hormonal conditions.
- Immigration Physicals — USCIS-compliant immigration medical examinations performed by a certified civil surgeon.
- Sclerotherapy — Minimally invasive treatment for varicose and spider veins.

Accessible, Convenient, and Patient-First

Aspire Medical Group is currently accepting new patients and offers same-day appointments across its services. The practice accepts most major insurance plans and provides telemedicine options for patients who prefer remote care. Online scheduling is available 24/7 at www.aspiremed.care, and appointments can also be booked by calling (770) 764-1234.

The practice has earned a 4.8/5 star patient rating and has been featured in Voyage ATL magazine for its commitment to compassionate, community-centered healthcare. Aspire Medical Group is also proud to be an affiliate of Piedmont Healthcare.

"We are proud to bring a level of care to this community that combines the warmth of a private practice with the expertise of specialty medicine. Whether you need a same-day sick visit, laser aesthetic

treatment, or long-term chronic disease management, we are here for you." — Dr. Nandini Sunkireddy
