

## Bethany Byrd, DO, Delivers Compassionate, High-Level Emergency Care Across Houston

Board-Certified Emergency Physician Combines Clinical Expertise, Research, and Mentorship to Support Patients and Future Healthcare Leaders

**Cypress, Texas May 14, 2026 ([IssueWire.com](https://www.issuewire.com))** - Bethany Byrd, DO, MS, is a Board-Certified Emergency Physician with more than 14 years of experience providing expert, patient-centered care to individuals facing medical emergencies throughout the Houston metropolitan area. Known for her calm

demeanor and compassionate approach, Dr. Byrd is dedicated to delivering high-quality emergency medicine to both adult and pediatric patients during some of the most critical moments of their lives.

Dr. Byrd considers it a privilege to care for patients when they are most vulnerable, combining evidence-based medicine with empathy and clear communication. Her ability to remain composed in high-pressure situations has earned her respect among colleagues and trust from patients and families alike.

Her educational background reflects a strong commitment to academic excellence and clinical advancement. Dr. Byrd earned her Bachelor of Science Degree in Biochemistry from Rutgers University before obtaining her Doctor of Osteopathic Medicine Degree from Lake Erie College of Osteopathic Medicine in Bradenton, Florida. She later completed both her residency and fellowship training in emergency medicine at NewYork-Presbyterian Brooklyn Methodist Hospital.

Further strengthening her expertise in evidence-based practice and clinical research, Dr. Byrd also earned a Master of Science Degree in Clinical Epidemiology and Medical Science Research from Cornell University. Her academic and clinical training have equipped her to provide advanced emergency care while contributing to ongoing improvements in medical education and patient outcomes.

Board-Certified in Emergency Medicine and an active member of the American Osteopathic Association, Dr. Byrd also supports EMRAP, a widely respected emergency medicine educational podcast that helps clinicians stay informed on advancements and best practices within the specialty.

In addition to her clinical responsibilities, Dr. Byrd is passionate about mentorship and community outreach. She regularly volunteers her time speaking with local high school students interested in healthcare careers, encouraging and guiding the next generation of medical professionals. She has also contributed to peer-reviewed medical literature and remains actively involved in medical education and research initiatives.

Dr. Byrd attributes her success to her faith, strong work ethic, and a lifelong belief that medicine is her calling. Through her dedication to patient care, education, and service, she continues to make a meaningful impact on both the Houston medical community and the lives of the patients she serves.
