

Beverly Wilshire Aesthetics Named Gold Standard for Best Botox in Los Angeles by Resident Magazine

Beverly Wilshire Aesthetics has been named #1 med spa for Best Botox in Los Angeles in Resident Magazine's 2026 Luxury Patient's Guide. The article highlighted the clinic's commitment to patient safety and natural-looking results.

Los Angeles, California May 17, 2026 ([IssueWire.com](https://www.IssueWire.com)) - The annual luxury guide serves as an elite resource for affluent patients seeking top-tier medical spa treatments. In the 2026 industry review for [Best Botox in LA](#), **Resident Magazine** specifically commended [Beverly Wilshire Aesthetics](#) for its flawless operational history. The publication noted that the clinic stands out in the region by maintaining a **record entirely free of reported negative incidents**, clinical complications, or adverse outcomes.

"We are deeply honored by this recognition from Resident Magazine," said [Dr. Behnoush Zarrini](#), Medical Director of Beverly Wilshire Aesthetics. "Our practice was founded on the principles of luxury, precision, and absolute patient safety. Being named a the [premiere choice for Botox](#) in a highly competitive market like Los Angeles validates our rigorous medical standards and our personalized approach to facial aesthetics."

This latest accolade cements the clinic's position as a trusted leader in the highly competitive Southern California cosmetic surgery and dermatology sector. In addition to earning the top spot in Resident Magazine, the practice has also been featured by elite local lifestyle guides like **Beverly Hills**

Magazine as the [top Botox Clinic in Beverly Hills](#). By securing a spot in this independent luxury index, the practice provides prospective patients with a verified, objective benchmark for quality and clinical safety in the Los Angeles market.

Beverly Wilshire Aesthetics offers a full suite of premium anti-aging treatments, including neurotoxins, dermal fillers, Morpheus8 skin tightening, and advanced exosome therapies. The clinic invites new and returning patients to experience the award-winning care that earned them a top spot in this year's luxury guide.

About Beverly Wilshire Aesthetics: Centrally located at the intersection of Wilshire Blvd and Doheny, Beverly Wilshire Aesthetics is a premier medical aesthetics clinic serving Beverly Hills, West Hollywood, and the greater Los Angeles area. Known as '**The Maison of Supreme Skin™**' their philosophy focuses on bespoke skin journeys, non-transactional treatments, gold-standard safety, and inevitable results. Specializing in physician-led, non-surgical facial rejuvenation, the practice combines advanced medical expertise with a luxury patient experience to deliver safe, highly customized cosmetic results anchored in its core philosophies of permanence and innovation.
