

Career Pro Named #1 UAE Recruitment Agency by Big News Network, Celebrates 12 Years and 10,000+ Successful Placements

Dubai, United Arab Emirates May 21, 2026 (Issuewire.com) - Career Pro, a [leading talent solutions provider in the United Arab Emirates](#), has been recognized as the #1 recruitment agency in the UAE in the Big News Network's 2026 industry report, "Top 10 Recruitment Agencies in the UAE for 2026." This acknowledgment coincides with the firm's 12th anniversary and a milestone of over 10,000 successful

candidate placements across technology, finance, healthcare, and executive search sectors. The Big News Network ranking evaluated agencies based on client satisfaction, placement success rates, industry specialization, and market reputation. Career Pro's position at the top of the list reflects its consistent delivery of tailored recruitment solutions for startups, SMEs, and multinational corporations operating in the UAE. "Being named #1 by an independent industry source validates our client-first approach and our team's deep understanding of the UAE talent landscape," said Fatima Malik, Head of Recruitment at Career Pro. "Over the past 12 years, we have focused on building long-term partnerships, not just filling roles. Reaching 10,000 placements is a testament to the trust our clients and candidates place in us." Key factors contributing to Career Pro's growth and recognition include the following:

- **Specialized Industry Teams:** Dedicated [recruiters for IT](#), finance, [healthcare](#), engineering, and C-suite roles ensure nuanced candidate matching.
- **End-to-End Talent Services:** From permanent hiring and temporary staffing to RPO and executive search, Career Pro offers scalable solutions aligned with business growth cycles.
- **Local Market Expertise:** With offices in Dubai and Abu Dhabi, the firm combines on-the-ground insights with global recruitment best practices.
- **Technology-Enabled Screening:** AI-assisted candidate assessment tools paired with human evaluation improve placement quality and retention rates.

Career Pro has supported more than 700 client organizations in the UAE since its founding in 2014. The firm attributes its success to a rigorous recruiter training program, transparent client communication, and a candidate experience focused on career growth rather than transactional hiring.
