

Caring Hands Animal Hospital Welcomes Dr. Bethany McLean to Care for Pets in Clarendon, VA

Caring Hands Animal Hospital in Clarendon, VA, welcomes Dr. Bethany McLean. Starting July 2026, she will provide personalized pet care with a focus on internal medicine, dentistry, and building strong relationships with pet families.

proud to welcome Dr. Bethany McLean, to its veterinary team. After graduating from the University of Florida College of Veterinary Medicine in 2026, Dr. McLean is excited to begin this new chapter by caring for pets and building lasting relationships with families throughout the Clarendon community. She will begin seeing patients at the hospital in July 2026.

Dr. McLean's passion for veterinary medicine began with her fascination for science and the special bond between people and animals. Over the years, that curiosity grew into a career focused on helping pets stay healthy while making sure owners feel informed and supported every step of the way. She is particularly drawn to internal medicine and veterinary dentistry, where she can combine problem-solving with hands-on patient care to support long-term wellness.

At Caring Hands Animal Hospital, pets receive comprehensive care tailored to every stage of life. The hospital offers preventive medicine, diagnostics, surgery, dental care, wellness exams, and individualized treatment plans designed to help pets live comfortable, healthy, and happy lives.

Outside the clinic, Dr. McLean enjoys reading, live music, movies, and exploring everything the local area has to offer. Her favorite companion is her cat, Freddy, who continues to remind her every day why compassionate veterinary care matters.

As Dr. McLean settles into the Clarendon community, she looks forward to meeting local pet owners and becoming a familiar face families can trust with their pets' care.

Caring Hands Animal Hospital continues to focus on delivering compassionate veterinary care with a personal touch. With the addition of Dr. McLean, the hospital further strengthens its commitment to supporting pets and the people who love them.

Pet owners interested in scheduling an appointment with Dr. McLean, once she begins seeing patients in July, can call (571) 777-0100 or visit <https://caringhandsvet.com/clarendon-va/> to learn more.
