

Convex Studio Ltd Recognized with Multiple Platinum Wins in CommunityVotes Cambridge 2026

Cambridge-based digital marketing agency recognized across advertising, web design, and digital marketing categories.

Cambridge, Ontario May 12, 2026 ([IssueWire.com](https://www.issuewire.com)) - Convex Studio Ltd has been recognized with multiple Platinum awards in the 2026 **CommunityVotes Cambridge** program, reflecting continued support from local businesses, clients, and community members across the Cambridge region.

The Cambridge-based company received Platinum recognition in the following categories:

- Advertising
- Digital Marketing
- Marketing and Advertisement
- Social Media Marketing
- Web Design

CommunityVotes Cambridge highlights local businesses and service providers that residents and customers value within the community. Winners are selected through public nominations and voting.

Convex Studio Ltd provides digital marketing and online business solutions for organizations throughout Cambridge and surrounding areas. The agency works with local businesses to develop practical marketing strategies focused on visibility, customer engagement, and long-term growth across digital platforms.

Services offered by Convex Studio include website design, digital advertising, social media management, branding support, and online marketing strategy development tailored to the needs of businesses operating in competitive local markets.

Owner **Stephen Morgan** said the recognition reflects the trust and ongoing relationships the company has built within the community.

“We are grateful to be recognized by the Cambridge community and appreciate the continued support from our clients, partners, and local businesses,” said Morgan. “These awards reflect the relationships we have built and the work we continue to do to help businesses strengthen their online presence.”

Convex Studio Ltd has continued expanding its services while supporting businesses across a range of industries throughout the region. The company’s approach focuses on helping organizations improve communication, strengthen digital visibility, and connect more effectively with their audiences online.

The [CommunityVotes program](#) has become a recognized platform for celebrating businesses that contribute to their local communities through consistent service and customer support. Recognition across multiple categories highlights the broad range of marketing and digital services Convex Studio provides to organizations in Cambridge and beyond.
