CUSTOMS AGENCY

## ***Logistics Group Ltd.***

**London, United Kingdom May 6, 2026** ([IssueWire.com](https://www.issuewire.com)) - [DCP Logistics Group](#), a leading logistics and customs specialist based in London, is proud to announce the formal expansion of its comprehensive customs clearance services, now providing seamless, 24/7 coverage at every major sea port and airport across the United Kingdom.

As international trade regulations become increasingly complex, DCP Logistics Group has positioned itself as a vital partner for businesses navigating the post-Brexit landscape. By combining deep industry expertise with cutting-edge digital integration, the agency ensures that cargo moves swiftly across borders, minimizing delays and eliminating the risk of costly compliance errors.

### **Strategic Coverage: From Heathrow to Felixstowe**

With a strategic headquarters in London, DCP Logistics Group has established a robust operational network. The agency now offers full-service representation at all primary UK transit points, including:

**Major Sea Ports:** Felixstowe, Southampton, Dover, Tilbury, Liverpool, and Hull.

**Key Airports:** [London Heathrow](#) (LHR), London Gatwick (LGW), Manchester (MAN), and Stansted (STN).

"Our mission is to simplify the complexities of global trade for our clients," said Mr. Mariusz Wozniak, a

Director for DCP Logistics Group. "By having a presence at every major UK gateway, we provide our partners with a single, reliable point of contact for all their customs needs, regardless of where their goods enter or exit the country."

### **Comprehensive Service Suite**

DCP Logistics Group provides a full spectrum of customs and logistical solutions tailored to meet the needs of diverse industries:

Import & Export Declarations: Precise handling of all HMRC documentation.

T1/T2 Transit Documents: Facilitating the movement of goods across European borders.

Specialist Clearances: Expertise in handling various commodity codes and specialized cargo.

Logistics Consultancy: Advising businesses on duty deferment, VAT requirements, and trade compliance.

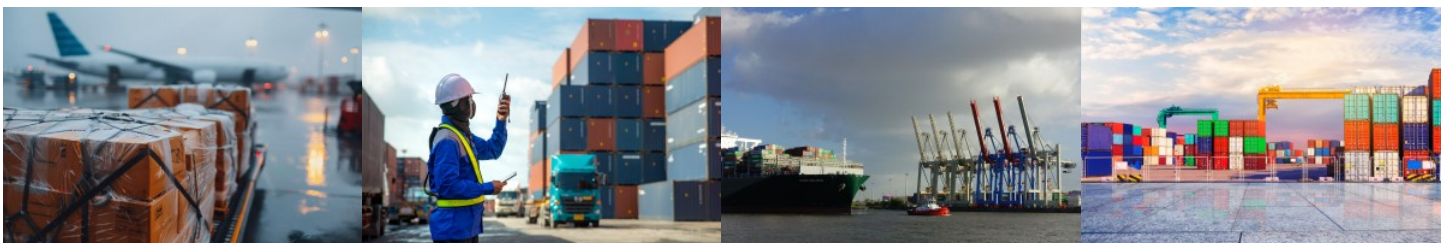

### **Technology-Driven Solutions**

In an era where speed is a competitive advantage, DCP Logistics Group utilizes direct links to the Customs Declaration Service (CDS). This digital-first approach allows for real-time tracking of entries and rapid clearance, ensuring that supply chains remain uninterrupted.
