

## Dr. Elliot Heller of Allure Plastic Surgery Named One of New York's Top 10 Plastic Surgeons

Dr. Elliot M. Heller, founder of Allure Plastic Surgery, has been named a Top 10 Plastic Surgeon in New York. With 30+ years of board-certified experience, he's known for safe, precise care and consistent results.

**Staten Island, New York May 6, 2026 ([IssueWire.com](http://IssueWire.com)) - Who Is Dr. Elliot Heller?**

Dr. Heller is a board-certified head and neck surgeon and Fellow of the American College of Surgeons (FACS) with more than 35 years of surgical experience, certified by the American Board of Otolaryngology, Head and Neck Surgery.

His academic and clinical training includes:

- Board Certification — American Board of Otolaryngology, Head and Neck Surgery
- Medical Degree — SUNY Downstate Medical Center College of Medicine (1983)
- General Surgery Residency — Staten Island University Hospital, Zucker School of Medicine at Hofstra/Northwell
- Otolaryngology Residency — NYU Grossman School of Medicine
- Plastic Surgery Training — Mount Sinai Medical Center
- Hospital Affiliation — Lenox Hill Hospital at Northwell Health

## Areas of Surgical Expertise

Dr. Heller's clinical practice focuses on facial cosmetic and reconstructive surgery. Procedures offered at the Staten Island location include:

- Facelift and Mini Facelift
- Rhinoplasty — functional and cosmetic outcomes addressed in a single procedure
- Neck Lift and Chin Liposuction
- Blepharoplasty (Eyelid Surgery)
- Brow Lift and Cheek Lift
- Jawline Contouring and Chin/Cheek Implants
- Ear Surgery and Earlobe Repair

Dr. Heller's background in head and neck surgery provides a distinct clinical advantage in rhinoplasty, where both the cosmetic shape and the internal nasal structure are corrected in a single procedure, ensuring patients breathe better while achieving natural-looking results.

- Languages spoken: English, Hebrew, and Spanish

## The Surgical Team at Allure Plastic Surgery Staten Island

Allure Plastic Surgery operates as a subspecialty practice. Each patient is matched with the surgeon whose training most directly corresponds to their procedure.

### Dr. Harry T. Haramis, MD, FACS — Body and Breast Surgery

Dr. Haramis is certified by both the American Board of Plastic Surgery and the American Board of Surgery, placing him among a select group of surgeons who hold dual board certifications in the United States. He earned his medical degree from Rutgers New Jersey Medical School in 1987 and completed a plastic surgery fellowship at Wright State University/Kettering Medical Center, representing seven years of post-medical school surgical training.

Clinical specialties include Brazilian Butt Lift, VASER ultrasound liposuction, tummy tuck, mommy makeover, breast augmentation, breast lift, breast reduction, and bariatric body contouring. His peer-

reviewed research has been published in the Annals of Plastic Surgery and Plastic and Reconstructive Surgery.

### **Dr. Andrew J. Miller, MD — Facial Plastic and Reconstructive Surgery**

Dr. Miller is dual board-certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology, with more than 25 years of experience focused exclusively on facial aesthetics. He graduated with honors from Baylor College of Medicine in 1994 and completed fellowship training in head, neck, and facial plastic surgery at Tulane University Medical Center.

Dr. Miller has been recognized as a Castle Connolly Top Doctor for the New York Metro Area, an NJ Top Doctor, a RealSelf 500 Award recipient placing him among the top 5% of aesthetic providers globally, and one of the Top 50 Cosmetic Surgeons in New Jersey by Savvy Magazine.
