

Earthdance 2026 Global Activation: The Heart & Beat of Humanity

One world. One prayer.

San Francisco, California May 21, 2026 (Issuewire.com) - Earthdance is proud to announce its 2026 theme: **The Heart & Beat of Humanity**, a synchronized international gathering uniting communities across continents in a shared intention for peace, healing, and collective consciousness.

The global celebration, now in its 29th year, will take place on **September 19, 2026**, bringing together Earthdance locations around the world in a unified moment of prayer and connection at **4:00 PM PST**.

This annual global event continues Earthdance's long-standing tradition of bridging cultures through music, art, dance, and intentional gathering, amplifying a worldwide prayer for peace. As the world continues to navigate profound transformation, this year's theme calls us back to the pulse that unites us all, the heartbeat of humanity.

2026 Global Locations

With more locations continuing to join the global movement, Earthdance 2026 will be activated across a powerful network of international communities, including:

- Aotearoa, New Zealand
- Quebec, Canada
- Johannesburg, South Africa
- Zurich, Switzerland
- South East Queensland, Australia
- Rio Grande do Sul, Brazil
- Lagoinha, Brazil

Each location contributes its unique cultural expression while remaining united under one global synchronized moment of intention.

Producers, collectives, and communities interested in joining the Earthdance global network are invited to register their events here:

Global Prayer for Peace

The highlight of the Earthdance Global Peace Party is a synchronized moment, when every event around the world plays the Prayer for Peace music track at the same time.

The Prayer for Peace is a moment of deep reflection and connection, and a powerful affirmation that unifies our intentions for peace, on all levels.

Join us in a worldwide moment of unity and intention:

“Giving Peace A Dance” Podcast with RadioCave Corporation

Beginning July 3, 2026, Earthdance will launch its official audio podcast on EarthdanceGlobal.com, featuring live chat interaction during each episode. The podcast will showcase interviews, artist spotlights, creative dialogue, and opportunities for collaboration within the global Earthdance community.

Hosted by our Event Coordinator, Nicholas Seigel, each episode will feature a live conversation with a featured artist, followed by a curated two-hour music set that allows listeners to dive deeper into their sound and connect with artists from around the world.

Two podcasts will stream each month leading up to our annual September gathering, airing on the first and third Friday at 8 PM EST.

To get involved with the podcast, you can sign up to be interviewed and share your story by completing this form:
