**Delhi, India May 28, 2026** ([Issuewire.com](https://www.issuewire.com)) - Ekantar Foundation is in full mood to help many people with their newly launched branches of Nasha Mukti Kendra and rehab centre across Delhi NCR. To make people and families aware of mental health and addiction to substances, this foundation spread awareness among the people and families. They run a rehabilitation centre in Noida and [Nahsa Mukti Kendra in Ghaziabad](#), Gurgaon, and Faridabad. At Ekantar Foundation, newly launched centres have amazing facilities and treatment programs.

#### New Recovery Support Centres Across Delhi NCR

The only foundation that is aware that treating a large number of people under one roof is not possible. That is why they have now opened branches in numerous locations throughout Delhi NCR. They strengthen their services and update them from time to time with new facilities and treatment programs. Ekantar Foundation has become a real hope for addicts from Noida, Gurgaon, Faridabad, and Ghaziabad. Their new recovery support centres are rehabilitation centres in Noida, Nahsa Mukti Kendra in Ghaziabad, [Nahsa Mukti Kendra in Faridabad](#), and [Nahsa Mukti Kendra in Gurgaon](#).

#### Focus on Personalised Recovery and Counselling

This foundation, in the last few years, has focused on complete recovery from addiction in its main branch. Working in the field of addiction recovery, this foundation established itself as a trusted addiction and rehabilitation centre. Provide support to thousands of individuals who battle substance abuse and addiction. The Ekantar Foundation greatly eases the difficulties associated with the recovery journey. At Ekantar Foundation, patients will receive individualised treatment and counselling sessions, which speed up healing.

Many families feel shy and hesitant and look for de-addiction or rehab centres near their homes. To help those people, the Ekantar Foundation spread its reach across Delhi NCR.

## **Commitment Towards Community Awareness**

The Ekantar Foundation has not just launched their new branches across Delhi NCR to treat addiction; they're also trying to spread awareness in society about how addiction spoils the lives of individuals and families. Here, the light of hope for many addicts, which shows them the path of recovery, is available here. The unique approach to treating addiction and raising awareness in the local community makes the Ekantar Foundation more trustworthy.
