

## Elite Sports Introduces Value-Driven 3-Pack BJJ Gi Bundle for Dedicated Athletes

The Elite Core Series 3-Pack bundle brings three IBJJF-approved gis together at a single price point, offering a practical option for practitioners who train several times a week.

### ELITE SPORTS 3-PACK BJJ GI BUNDLE

Los Angeles, California May 14, 2026 ([Issuewire.com](http://Issuewire.com)) - [Elite Sports](http://EliteSports.com), a Brazilian Jiu-Jitsu gear brand known for its range of BJJ gis and training apparel, has made a three-pack BJJ Gi bundle for men part of its Core Series lineup. The set includes three IBJJF-approved gis for easy rotation. One can either select from the pack of 3 core white gis, core black gis, and core blue gis, priced at \$129.99. It will cost you \$150 if you choose to buy these gis separately.

The bundle addresses something most active BJJ athletes already know: a single gi is rarely enough. Rotating between multiple clean BJJ gis is a standard practice on the mat, not an exception. Training four or more days a week means a single gi rarely has enough time to fully dry between sessions. The three-pack format removes that gap without requiring three separate purchases.

Each gi in the set is constructed from 450gsm Pearl Weave fabric. The jacket uses a 60% cotton, 40%

polyester blend, light enough to allow free movement without feeling stiff. The pants are made of a 65% cotton, 35% polyester mix and feature a rope drawstring for a secure fit. Reinforced stitching runs through the collar, shoulders, and key seam areas, which tend to fail first under repeated drilling and sparring. The [Men's Core Black BJJ Gi \(Pack of 3\)](#) shares the same build standards as the white and blue versions in the bundle.

One aspect worth noting is the pre-shrunk fabric used across the Core Series. Most BJJ gi brands still advise hanging drying outdoors to prevent shrinkage, a step that is difficult to maintain for athletes with packed schedules. The treatment in this series allows the gis to withstand a standard machine wash and dry without compromising their fit.

All three gis meet IBJJF standards and can be worn in official tournaments. A white belt is included with each gi, making the bundle a reasonable starting point for newer practitioners as well.

Athletes looking to complete their training rotation can find the [Men's Core White BJJ Gi \(Pack of 3\)](#) alongside the black and blue variants on the Elite Sports website. Elite Sports advises all buyers to consult its own size chart before placing an order, as its sizing does not align with other BJJ gi brands.

## **About Elite Sports**

Elite Sports is a martial arts gear brand that produces BJJ gis, rash guards, shorts, and training apparel for men, women, and children. The brand focuses on BJJ gear that meets competition standards while remaining accessible to athletes at all levels.
