**Boca Raton, Florida May 8, 2026 ([Issuewire.com](http://Issuewire.com))** - Most cleaning companies in South Florida promise quality. Proxima Maids is one of the few willing to guarantee it — twice. The Boca Raton-area house cleaning service has built its reputation across Palm Beach County on a two-tiered promise that puts the customer first at every step: a free re-clean within 72 hours if a customer isn't satisfied, and a full refund if they're still not happy after that. No fine print. No arguments. No exceptions.

In a market flooded with cleaning companies that make promises they don't back up, Proxima Maids is setting a new standard for what [house cleaning Boca Raton](#) homeowners should expect. Transparent flat-rate pricing. Certified, professional cleaners. Online booking in minutes. And a satisfaction guarantee so strong, the company stakes its reputation on every single visit.

## The Proxima Maids Promise: South Florida's Strongest Cleaning Guarantee

The cleaning industry has a trust problem. Homeowners invite strangers into their most personal space and hope for the best. Proxima Maids was built to eliminate that uncertainty entirely — and the company's two-tiered guarantee is the proof.

Here is exactly what every Boca Raton homeowner is guaranteed when they book with Proxima Maids:

- **Re-Cleaning Policy** — if a customer is not completely satisfied with their cleaning, Proxima Maids will return to the home within 72 hours and re-clean any areas that failed to meet their standards, completely free of charge
- **Full Refund Option** — if a customer is still not satisfied after the re-clean has been completed, a full refund will be issued — no questions asked, no conditions, no fine print

"We believe that every customer deserves to be completely happy with the service they receive," said a Proxima Maids spokesperson. "That's why we don't just promise quality — we back it up with the strongest guarantee in South Florida. If we don't meet your standards, we make it right. Every time."

This two-tiered commitment sets Proxima Maids apart from the majority of cleaning services in Boca Raton and across Palm Beach County, where satisfaction guarantees are often vague, limited, or buried in terms and conditions.

### Transparent Flat-Rate Pricing — No Surprises, No Hidden Fees

One of the most common frustrations Boca Raton homeowners face when hiring a cleaning service is pricing that changes after the job is done. Proxima Maids eliminates that frustration entirely with transparent flat-rate pricing tailored to the size of the home.

Homeowners know exactly what they're paying before a single cleaner walks through the door. Pricing is based on the average size of the job, is fully visible before booking, and is designed to make professional [cleaning services in Boca Raton](#) accessible without spending a small fortune.
