

HRMS Bihar Login Guide Launched for 6 Lakh Bihar Government Employees at hrmsbiharlogin.github.io

Independent step-by-step guide helps Bihar govt employees login, download salary slips, reset passwords, and access service books on hrms.bihar.gov.in

Chakia, Bihar May 6, 2026 ([Issuewire.com](https://www.issuewire.com)) - A new independent informational website has been launched to help Bihar government employees navigate the HRMS Bihar portal with ease. Available at hrmsbiharlogin.github.io, the guide covers everything from first-time login to salary slip downloads, password resets, and service book access — all in simple English and Hindi.

What is HRMS Bihar?

HRMS Bihar, officially hosted at hrms.bihar.gov.in, is the Bihar State Government's Human Resource Management System. It serves over **6 lakh government employees** across departments, including Education, Health, Police, PWD, Revenue, and Agriculture. Employees can use the portal to download monthly salary slips, check leave balances, view service books, apply for leave online, and manage personal records — without visiting any government office.

Why This Guide Was Created

Despite HRMS Bihar being a powerful system, many employees — especially teachers and field workers in rural areas — struggle with basic tasks like login, password recovery, or salary slip downloads. The guide at hrmsbiharlogin.github.io was created by an independent team to bridge this gap. It provides:

- Step-by-step HRMS Bihar login instructions

- How to download salary slips in PDF format
- HRMS Bihar password reset process with OTP
- Bihar teacher login guidance
- How to access your service book online
- HRMS 2.0 Bihar update information

Who Can Benefit?

All currently serving and retired Bihar government employees are eligible to use the HRMS Bihar portal. This guide is especially helpful for first-time users who have received their login credentials from their department but are unsure how to proceed.

Important Note

hrmsbiharlogin.github.io is an **independent informational guide** and is NOT the official Bihar Government portal. For official support, employees should contact the HRMS Bihar helpdesk at 0612-2217601 or email hrmshelp-bih@nic.in. The official portal remains hrms.bihar.gov.in.
