Jessica Johnson: Your Trusted REALTOR® in the St. Croix River Valley

Stillwater, Minnesota May 14, 2026 ([IssueWire.com](https://www.issuewire.com)) - Jessica Johnson, a Licensed REALTOR®, brings over 15 years of experience serving buyers and sellers throughout the St. Croix River Valley. Licensed in both Wisconsin and Minnesota, Jessica specializes in residential real estate in the communities of Hudson, Somerset, River Falls, Woodbury, Stillwater, Lake Elmo, and the surrounding areas, bridging the gap between the two states and offering unparalleled expertise.

Known for her thoughtful, detail-driven approach, Jessica believes every home deserves a well-executed strategy and elevated presentation, regardless of price point. As a Certified Luxury Home Marketing Specialist with Coldwell Banker Realty, she delivers a high level of service, refined marketing, and calm, strategic guidance throughout every stage of the transaction.

For sellers, Jessica offers a comprehensive pre-listing process designed to position each home for maximum impact. From the initial discovery walkthrough and tailored preparation plan to staging support, professional photography, and video, every detail is handled with intention. Her approach is centered on preparation, presentation, and timing, ensuring homes enter the market in their best possible light.

For buyers, Jessica is dedicated to providing honest and strategic counsel. She empowers her clients with deep insights into the home and market, guiding them through critical decisions and helping them craft strong, well-positioned offers when the time is right. Her commitment to understanding the unique needs of each client fosters a relationship built on trust and respect.

Jessica's clientele is diverse, ranging from move-up buyers and relocators navigating the Minnesota-to-Wisconsin transition to new construction clients and those seeking second homes or investment properties. Her extensive local market knowledge, sharp negotiation skills, and calm, organized approach have earned her a reputation for delivering results while ensuring a client experience that is thoughtful and seamless from start to finish.

Rooted in honesty and integrity, Jessica's genuine passion for helping people is evident in every interaction. "What I enjoy most about real estate is the people. Real estate is rarely just about a house; it is about a life chapter," Jessica explains. "I get to sit at the table for those decisions, and I never take that lightly. The most meaningful part of this work is hearing the stories—what people are moving toward, what they are leaving behind, and what they hope this next home will mean for the life they are building."

Jessica's love for the St. Croix Valley and its vibrant communities enriches her work. "The homes matter, but the privilege is being trusted with everything in between," she adds, highlighting her dedication to helping clients find not just a house, but the right fit for their lifestyle.

Beyond her professional endeavors, Jessica enjoys spending quality time with her family, traveling, golfing, boating, and staying active. Her experience as an owner and manager of investment properties, including a vacation rental in Cape Coral, Florida, provides her with additional insights into real estate from both personal and investment perspectives.
