Kyle Nunes Medeiros Expands “Better Every Day with Kyle Nunes Medeiros” to Apple Podcasts, Amazon Music, and iHeartRadio

Toronto, Ontario May 8, 2026 ([IssueWire.com](https://www.IssueWire.com)) - In a move that underscores the shifting power dynamics of the modern media landscape, Toronto content creator [Kyle Nunes Medeiros](#) has announced the official expansion of his podcast, *Better Every Day with Kyle Nunes Medeiros*, to major streaming platforms including [Apple Podcasts](#), [Amazon Music](#), and [iHeartRadio](#).

The expansion marks a strategic pivot for Medeiros, who first captured public attention through viral short-form content. By anchoring his brand on the world’s largest audio distribution networks, Medeiros is transitioning from a social media personality into a multi-platform media entrepreneur. With an established digital footprint of over **half a million followers** across [YouTube](#) and [Instagram](#), he has tapped into a burgeoning demand for "mindset-first" media that bypasses traditional broadcast gatekeepers.

The current catalog of over **30 episodes** delivers a masterclass in modern self-improvement, focusing on cognitive discipline, entrepreneurial literacy, and radical accountability. Medeiros views the move as an accessibility play, aiming to meet his audience where they are with deeper, more nuanced discussions on resilience that short-form video cannot fully capture.

The podcast platform expansion follows Medeiros' recent feature by [The Norfolk Daily News](#), which highlighted his "[Kyle24](#)" Instagram GIF collection surpassing 1.5 million views.
