

Miranda Barney, BSN, RN, Advances Behavioral Health Nursing Through Compassionate Leadership And Patient-Centered Care

Experienced Nurse Leader Specializing in Acute Mental Health Stabilization and Team Development Across Diverse Clinical Settings

Muskogee, Oklahoma May 1, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Miranda Barney, BSN, RN, is a highly experienced behavioral health nurse whose career spans more than a decade of delivering

compassionate, evidence-based care to individuals across the mental health spectrum. Known for her patient-centered approach and strong clinical judgment, Miranda has built a reputation for navigating the complexities of behavioral health treatment while maintaining a deep commitment to dignity, empathy, and holistic care.

Throughout her career, Miranda has served in leadership roles as a Nurse Manager across multiple behavioral health units, where she has guided multidisciplinary teams with professionalism and purpose. Over the past ten years, she has played a pivotal role in shaping care delivery environments that prioritize both patient outcomes and staff support. Her leadership style emphasizes collaboration, accountability, and trauma-informed care—ensuring that patients receive high-quality treatment tailored to their unique needs.

Miranda joined Resilience Behavioral Health in June 2019, where she successfully led nursing teams in providing comprehensive mental health services. In her current role at the Jack C. Montgomery Department of Veterans Affairs Medical Center in Muskogee, Oklahoma, she focuses on acute mental health stabilization for Veterans. There, she continues her mission of serving populations with complex and often urgent mental health needs, delivering care that is both clinically effective and deeply compassionate.

A third-generation behavioral health nurse, Miranda's dedication to the field is rooted in both professional experience and personal legacy. She is a strong advocate for open-minded, stigma-free care and works to empower not only her patients but also her colleagues. Through mentorship and ongoing support, she helps fellow nurses recognize the profound impact they have on the lives of those they serve. Her commitment to excellence has been recognized through multiple nominations for the DAISY Award, a distinction honoring extraordinary nursing practice.

In addition to her clinical leadership, Miranda has contributed to the field through education and training. She has served as a Nurse Manager, Trainer, and Instructor for Horizon Health, where she helped develop and implement programs designed to strengthen clinical skills and improve patient care standards. She holds a Bachelor of Science in Nursing from Bacone College and remains dedicated to continuous learning and professional growth.

Beyond her clinical work, Miranda is a passionate advocate for the mental health and well-being of healthcare providers. She believes that supporting caregivers is essential to sustaining high-quality patient care, particularly in today's evolving healthcare landscape.

Through her leadership, mentorship, and unwavering dedication, Miranda Barney continues to make a lasting impact—advancing behavioral health nursing while supporting both the patients she serves and the teams she leads.
