

## Namrata Laheri, DDS, Combines Clinical Precision and Artistic Vision to Enhance Smiles and Improve Quality of Life

Troy-Area General Dentist Brings Expertise in Cosmetic and Restorative Dentistry While Delivering Compassionate, Patient-Centered Care

**White Lake, Michigan May 20, 2026 ([IssueWire.com](https://www.IssueWire.com))** - Namrata Laheri, DDS, is a dedicated general dentist serving patients in the Troy, Michigan area with a commitment to comprehensive, patient-centered dental care. Practicing part-time in a private office setting, Dr. Laheri focuses on delivering high-quality general dentistry while also pursuing special interests in cosmetic dentistry and implant dentistry. Her approach blends clinical precision, artistic vision, and compassion to improve both oral

health and patient confidence.

Dr. Laheri is particularly passionate about cosmetic dentistry, an area she finds rewarding because it allows her to combine her artistic inclination with her appreciation for balance and symmetry. Through cosmetic and restorative procedures, she strives to create smiles that not only improve function but also positively impact self-esteem and overall quality of life.

“I enjoy creating smiles that improve not only function but also confidence,” says Dr. Laheri. “Cosmetic dentistry allows me to use my artistic sense, while general dentistry gives me the opportunity to improve patients’ quality of life, especially for patients struggling with dentures or bone loss.”

In addition to cosmetic procedures, Dr. Laheri focuses on broader aspects of general dentistry, helping patients manage dental-related challenges that affect comfort, function, and daily living. Her patient-first philosophy emphasizes individualized care, education, and practical treatment solutions designed to support long-term oral health.

Dr. Laheri’s professional journey reflects a unique blend of clinical expertise, academic achievement, and operational leadership. She began her career in India as a general dentist and lecturer in the Endodontics Department at College of Dental Sciences and Research Center, where she provided pre-clinical practical instruction while also delivering direct patient care. Her experience in education helped strengthen both her technical skills and her ability to guide and communicate with future dental professionals.

After relocating to the United States, Dr. Laheri continued advancing her education and training. She earned her Doctor of Dental Surgery Degree from Meharry Medical College in 2024. Her educational background also includes a Master’s Degree in Systems Management from Sullivan University as well as an MBA in Healthcare, providing her with a strong understanding of both patient care and healthcare operations.

Beyond her clinical work, Dr. Laheri has held leadership and management positions within multiple dental practices, serving as both Business Manager and Office Manager. In these roles, she oversaw front office operations, insurance processing, workflow optimization, staff training, and practice management initiatives aimed at improving efficiency and patient experience.

Committed to combining operational excellence with compassionate dentistry, Dr. Laheri believes effective dental care should improve both functionality and confidence. She credits much of her professional success to the support of her family, particularly her husband, and remains dedicated to giving back to the community through her work.

By integrating artistry, technical expertise, and a deep understanding of patient needs, Dr. Namrata Laheri continues to make a meaningful impact on the lives of patients seeking healthier, more confident smiles.
