

Panhandle Cleaning & Restoration Opens New Design Center & Showroom in Wheeling

Wheeling, West Virginia May 20, 2026 (IssueWire.com) - [Panhandle Cleaning & Restoration](http://PanhandleCleaning.com) proudly welcomed community members, business leaders, partners, and clients on Thursday, May 14, for the official unveiling of its brand-new Design Center & Showroom during a special Business After Hours event hosted in partnership with the Wheeling Area Chamber of Commerce.

The event also marked the long-awaited return of Panhandle's popular Business After Hours gatherings, which were a staple of the Wheeling business community throughout the 2010s. The evening served as both a celebration of the company's continued growth and a renewed commitment to fostering relationships throughout the Ohio Valley business community.

Guests enjoyed networking opportunities, tours of the new showroom, appetizers, and an open bar while exploring the latest trends and innovations in [remodeling and interior design](#). The evening also featured an official ribbon-cutting ceremony commemorating the opening of the new space at 112 31st Street in Wheeling.

"We were incredibly excited to bring back our Business After Hours and officially welcome the community into our new Design Center & Showroom," said Bob Contraguerro Jr., Vice President of Panhandle Cleaning & Restoration. This event represented more than just a new space for our company—it was a celebration of the relationships, partnerships, and community support that have helped Panhandle continue to grow year after year."

Panhandle extends its sincere appreciation to everyone who attended and helped make the evening such a success. The company would also like to recognize Jason Treuman for providing live music throughout the event and Undo's Family Restaurants for the exceptional food and catering.

A special thank you is also extended to the Wheeling Area Chamber of Commerce for partnering on the event and ribbon-cutting ceremony.

The new Design Center & Showroom reflects Panhandle's continued investment in providing clients with a hands-on, collaborative remodeling experience while showcasing the latest products, materials, and design concepts available to homeowners throughout the region.
