

Pure Custom Contracting Inc Receives Multiple Platinum Awards in CommunityVotes Cambridge 2026

Cambridge renovation company recognized for excellence in home renovation and contracting services.

Cambridge, Ontario May 13, 2026 (IssueWire.com) - **Pure Custom Contracting Inc** has been recognized with multiple **Platinum awards** in the 2026 **CommunityVotes Cambridge** program, reflecting strong community support for the company's renovation and contracting services throughout the region.

The company received Platinum recognition in the following categories:

- Bathroom Specialists
- General Contractors
- Landscaping and Lawn Design

CommunityVotes Cambridge recognizes local businesses and service providers through public nominations and voting by residents across the community.

Established in 2018, Pure Custom Contracting Inc was founded with the goal of helping homeowners turn renovation ideas into long-term improvements for their homes. The company provides full-service renovation solutions ranging from small interior upgrades to complete home renovations covering both interior and exterior spaces.

The team works with homeowners on projects that include kitchens, bathrooms, basements, landscaping, structural improvements, and complete property renovations. Pure Custom Contracting Inc focuses on using durable materials designed to last while helping homeowners make informed decisions throughout the renovation process.

The company also places a strong emphasis on communication during projects, providing regular updates and clear explanations throughout each stage of construction and renovation work.

Owner **Mark Skopliak** said the CommunityVotes recognition reflects the trust the company has built with homeowners across Cambridge.

“We appreciate the support we have received from homeowners and members of the Cambridge community,” said Skopliak. “Our goal has always been to provide reliable renovation services while helping clients feel comfortable and informed throughout the process.”

As demand for home improvement and renovation services continues to grow throughout the region, Pure Custom Contracting Inc remains focused on delivering practical renovation solutions tailored to the specific needs of homeowners and families in Cambridge and surrounding communities.

Recognition across multiple CommunityVotes categories highlights the company’s continued commitment to quality workmanship, customer communication, and long-term value for homeowners investing in their properties.
