

Scott O. Johnson, MD, FACS, Delivers Advanced Surgical Care Through Minimally Invasive and Robotic Expertise

Board-Certified General Surgeon with AdventHealth Combines Clinical Leadership, Compassionate Care, and Surgical Innovation to Improve Patient Outcomes

Lancaster, Ohio May 11, 2026 ([Issuewire.com](https://www.issuewire.com)) - Scott O. Johnson, MD, FACS, is a highly experienced, board-certified general surgeon with more than 25 years of clinical, operational, and leadership experience specializing in advanced laparoscopic surgery, robotic-assisted procedures, and endoscopy. Affiliated with AdventHealth in Florida, Dr. Johnson provides minimally invasive surgical care for adult patients through AdventHealth Medical Group Multispecialty at Winter Haven and

AdventHealth Medical Group General Surgery at Lake Wales.

Throughout his career, Dr. Johnson has built a reputation for delivering patient-centered care focused on precision, innovation, and improved recovery outcomes. His expertise in minimally invasive surgical techniques allows patients to benefit from reduced pain, shorter hospital stays, and faster healing times while maintaining the highest standards of safety and surgical excellence.

Dr. Johnson earned his Medical Degree from The Ohio State University College of Medicine and completed his general surgery residency through Mount Carmel Health. He is board-certified in general surgery by the American Board of Surgery and is a Fellow of the American College of Surgeons.

In addition to his clinical work, Dr. Johnson has served in numerous leadership roles throughout his career, including surgical leader, robotic surgery chair, and clinical educator. He has led multidisciplinary healthcare teams, helped launch high-impact surgical programs, and collaborated with executive leadership on initiatives involving quality improvement, ethics, compliance, and innovation in patient care.

Known for his compassionate approach and clear communication style, Dr. Johnson remains deeply committed to building strong relationships with his patients while guiding them through every stage of treatment and recovery. He attributes much of his professional success to the empathetic care he provides and the trust he has established with the individuals and families he serves. He also emphasizes the importance of remaining current with evolving medical science and surgical advancements in order to provide the highest level of care possible.

Inspired early in life by his father's work as a physician, Dr. Johnson learned that medicine is more than a profession—it is a ministry dedicated to the well-being of others. That philosophy continues to guide his work today as he supports AdventHealth's mission of Extending the Healing Ministry of Christ by treating every patient with compassion, dignity, and respect.

Beyond his clinical responsibilities, Dr. Johnson has contributed to the advancement of surgical knowledge through co-authoring several clinical publications and mentoring future healthcare professionals entering the medical field.

Outside of medicine, Dr. Johnson enjoys swimming, scuba diving, boating, fishing, and riding motorcycles, activities that reflect his appreciation for balance, adventure, and lifelong learning both personally and professionally.
