

Solaire Resort North and Solaire Cares Build the Hope of Tomorrow with Outreach Programs for the Youth

Quezon City, Metropolitan Manila Area May 26, 2026 ([IssueWire.com](https://www.issuewire.com)) - In the spirit of celebration, Solaire Resort North and Solaire Cares has partnered with local Quezon City communities for a series of back-to-back outreach activities to support the youth of the city. As Quezon City's first and only five-star integrated resort approaches its 2nd anniversary, the spirit of hope, support, and connection matter shine through as Solaire Resort North gives back to uplift the youth with the "Balik Eskwela" program, and Solaire Cares partners with the LOLA Foundation for the children of San Agustin, Novaliches.

Last May 18, a day full of fun activities, creative games, delicious food, and laughter was celebrated with over 350 children of Sitio San Roque in Barangay Bagong Pag-Asa who are set to enroll in school for the coming school year. The event was opened with a speech given by Michael Diopenes, Solaire Resort North's Vice President for Finance, before the activities began. Children from the area spent the day with the integrated resort's team members alongside the local Barangay team, working together to create lasting memories for the young community.

Heartfelt initiatives come from Solaire Resort Entertainment City's yearly outreach activities rooted in the dedication to inclusivity, community engagement, and hospitality for all ages. Now adopted by Solaire Resort North, the commitment to the local community finds its basis in fostering a community built on

support, hope, and a positive influence on the generation of tomorrow.

On May 20, the children of San Agustin shared a day with the Solaire Cares team in partnership with the LOLA Foundation. Children received school supplies, shoes, bags, hygiene kits, and vitamins to support a fruitful school year with essential items to encourage education and overall well-being.

Solaire's continued outreach program focuses on the importance of compassion and community support in each initiative it pursues. In an effort to give back to its home, Solaire celebrates through the spirit of generosity and support for the generation of tomorrow.
