

Summerville Pet Owners Turn to Sangaree Animal Hospital at Cane Bay for Complete, Compassionate Veterinary Care

Sangaree Animal Hospital at Cane Bay is proud to care for pets and their families throughout the Summerville community.

Summerville, South Carolina May 1, 2026 (Issuewire.com) - Sangaree Animal Hospital at Cane Bay is elevating veterinary care in Summerville, SC by offering a full spectrum of medical services designed to support pets throughout their lives. Led by Dr. Haley Webster, a dedicated veterinarian known for her compassionate approach, the hospital is committed to delivering high-quality,

individualized care in a welcoming environment.

As a modern veterinary care hospital, Sangaree Animal Hospital at Cane Bay provides a comprehensive range of services, including preventative care, diagnostic care, surgical care, and dental services. The practice also offers referral services to specialist veterinarians, ensuring pets receive advanced treatment when needed.

“Our mission is to provide care that is both thorough and compassionate,” said Dr. Webster. “By offering a wide range of services under one roof, we’re able to support pets through every stage of life and build lasting relationships with the families we serve.”

In addition to core medical services, the hospital offers specialized care tailored to different life stages, including puppy and kitten care and senior pet care. Advanced therapies such as cold laser therapy are also available to help manage pain, reduce inflammation, and support healing. The holistic approach ensures pets receive well-rounded care that addresses both immediate and long-term health needs.

Sangaree Animal Hospital at Cane Bay also prioritizes clear communication and client education. The team works closely with pet owners to explain diagnoses, treatment options, and preventive strategies, helping them make informed decisions. Following a collaborative approach builds trust and leads to better outcomes for pets.

With its commitment to compassionate service and comprehensive care, Sangaree Animal Hospital at Cane Bay remains a trusted partner for pet owners throughout Summerville, Moncks Corner, Goose Creek, Ladson, Ridgeville and the surrounding area.
