

# The Plaza Hotel & Casino in Downtown Las Vegas Presents Bolero – A Bohemian Latin Musical

A spectacular live musical experience blending bolero, flamenco, salsa, tango and Afro-Caribbean rhythms in an unforgettable night of passion

**Las Vegas, Nevada May 28, 2026 ([Issuewire.com](http://Issuewire.com))** - The iconic Plaza Hotel & Casino in Downtown Las Vegas will become the home of passion, rhythm and romance with the premiere of Bolero – A Bohemian Latin Musical, an elegant live theatrical production created and produced by romantic singer and song-writer Adan Alejandro and co-produced by performer and dancer Jenny Bolivar.

Set in the heart of the world-famous Fremont Street district, the Plaza Hotel & Casino continues its tradition of hosting unique entertainment experiences with a production that celebrates the spirit, beauty and emotion of Latin culture through music, dance and theatrical performance.

Born in Caracas, Venezuela, and educated in the United States with a B.S in Advertising and Marketing, Adan Alejandro is a singer, producer and creative visionary whose passion for romantic Latin music inspired the creation of Bolero. Through this production, he brings together the elegance of classic Latin romance with the energy and sophistication of modern Las Vegas entertainment.

The production will also feature renowned choreographer Enrique Lugo and his talented group of dancers, whose powerful and passionate performances bring the spirit of flamenco, tango and Latin dance to life on stage with breathtaking energy and theatrical expression.

Musically, the show will feature Adrian Ortega and his Latin Orchestra, delivering a rich live sound

inspired by the golden era of Latin music while incorporating the vibrant rhythms of salsa, mambo, bolero and Afro-Caribbean percussion.

Bolero is an immersive musical journey through love, desire, heartbreak and celebration. Combining live orchestra, theatrical storytelling, dynamic choreography and visually captivating performances, the production creates a sophisticated bohemian atmosphere unlike anything currently on the Las Vegas entertainment scene.

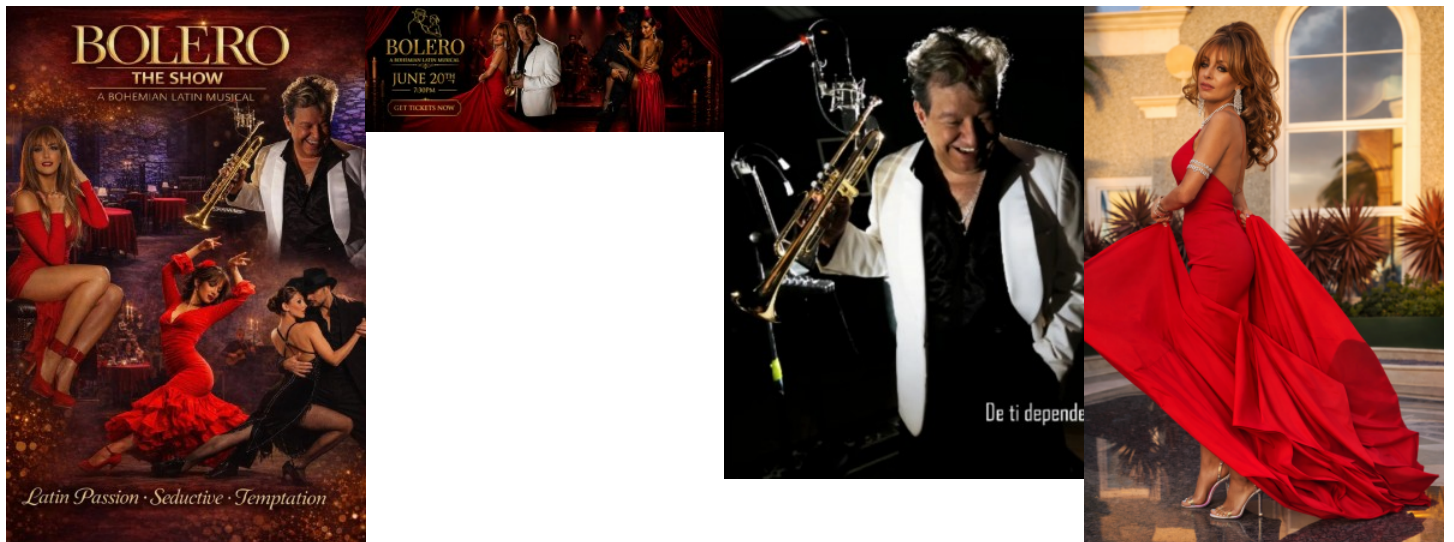

“Bolero is more than a show,” says creator and performer Adan Alejandro. “What I did was explore Latin American-influenced rhythms through music and dance to create a powerful storytelling experience.” With its combination of intimacy, spectacle and authentic Latin passion, Bolero – A Bohemian Latin Musical promises to become one of the most distinctive new live entertainment experiences in Downtown Las Vegas.
