

## Tri-City Custom Upfitters Wins Multiple Platinum Awards in CommunityVotes Cambridge 2026

Cambridge vehicle upfitting company recognized across multiple automotive categories in CommunityVotes Cambridge 2026.

**Cambridge, Ontario May 12, 2026** ([IssueWire.com](http://IssueWire.com)) - **Tri-City Custom Upfitters** has been recognized with multiple Platinum awards in the **CommunityVotes Cambridge 2026** program. The Cambridge-based vehicle upfitting company received recognition in the Car Parts and Accessories, Truck Accessories, and Used Parts and Accessories categories.

CommunityVotes is a community-driven recognition platform where residents nominate and vote for local businesses and service providers across a wide range of industries and categories. The Platinum awards reflect continued support from local customers, contractors, fleet operators, and businesses throughout the Cambridge region.

Tri-City Custom Upfitters specializes in commercial truck and van customization services designed to support trades professionals, contractors, and fleet operations. The company provides fleet upfitting, certified van upfitting solutions, spray-on bedliner installation, truck accessory installation, and commercial vehicle safety lighting systems.

Serving Cambridge, Kitchener-Waterloo, Guelph, and surrounding communities, the company works with businesses to configure work vehicles that improve organization, safety, efficiency, and storage capacity for day-to-day operations.

Owner **Chad Greenlee** says the recognition reflects the support of the local business community and the customers who rely on properly equipped vehicles to support their work.

“We are grateful to be recognized by the community and appreciate the continued support of our customers and local businesses,” said Greenlee. “Our goal has always been to provide dependable upfitting solutions that help work vehicles operate safely and efficiently.”

Tri-City Custom Upfitters continues to work with contractors, trades professionals, and commercial fleet operators across a variety of industries by providing practical vehicle customization solutions tailored to professional work environments.

From commercial shelving systems and safety lighting to spray-on bedliners and truck accessories, the company focuses on helping businesses maximize the performance and usability of their vehicles while maintaining long-term durability.
