

Whale Roofing & Construction Celebrates 5+ Years Serving South Florida Roofing Needs

Boca Raton-based contractor continues delivering residential and commercial roofing services—including repairs, replacements, and storm support—across Palm Beach, Broward, and Miami-Dade since 2020.

Boca Raton, Florida May 25, 2026 ([IssueWire.com](https://www.issuewire.com)) - Whale Roofing & Construction, a locally owned roofing contractor based in Boca Raton, continues to provide residential and commercial roofing services throughout Boca Raton, Palm Beach, Broward, and Miami-Dade counties after more than five years in business.

Founded in 2020, Whale Roofing & Construction has built its services around dependable roofing solutions for South Florida homeowners and businesses. The company offers roof replacement, roof repair, metal roofing, tile roofing, shingle roofing, flat roofing, storm damage support, and emergency roofing services.

Whale Roofing & Construction works with multiple roofing systems designed for South Florida properties. Its metal roofing services focus on durability and energy efficiency, while its tile roofing options include clay and concrete tile solutions. The company also provides architectural shingle roofing and flat roofing services for residential and commercial properties.

In addition to roof replacement services, Whale Roofing & Construction offers professional roof repair for roof leaks, damaged shingles, storm damage, and other roofing concerns. The company also provides emergency roofing services for urgent roofing issues that require timely attention.

Whale Roofing & Construction emphasizes transparent pricing, clear communication, supervised in-house crews, and quality roofing materials. The company is licensed and fully insured, with roofing license number **#CCC1332756**.

The company serves Boca Raton and surrounding South Florida communities, including Delray Beach, Deerfield Beach, Parkland, Boynton Beach, Fort Lauderdale, West Palm Beach, Coral Springs, Pompano Beach, Lake Worth, Wellington, Palm Beach County, Broward County, and nearby areas.

Whale Roofing & Construction is located at **1825 Corporate Blvd NW Suite 110-G41, Boca Raton, FL 33431**. Property owners can contact the company at **(561) 408-4433** or **info@whaleroofing.com** to schedule a free roofing estimate.
