

30th Street Animal Hospital Welcomes Dr. Whitney Moore to Its Veterinary Team in Indianapolis, IN

30th Street Animal Hospital proudly announces the addition of Dr. Whitney Moore, DVM, a dedicated veterinarian with a passion for internal medicine, chronic disease management, and preventative care.

Indianapolis, Indiana Jun 4, 2026 ([Issuewire.com](https://www.issuewire.com)) - 30th Street Animal Hospital, a trusted veterinary provider serving the East Indianapolis and Lawrence communities, is pleased to announce the addition of Dr. Whitney Moore, DVM, to its growing medical team. Dr. Moore officially joins the practice on June 1, 2026, bringing with her a strong clinical foundation and a heartfelt dedication to the well-being of companion animals and their families.

Dr. Moore earned her Doctor of Veterinary Medicine degree from Tuskegee University College of Veterinary Medicine, one of the nation's most respected institutions for veterinary education. Her areas of clinical interest include internal medicine, managing chronic diseases, and preventative care, all of which align closely with 30th Street Animal Hospital's long-standing commitment to proactive, lifelong wellness for every patient.

A firm believer in the human-animal bond, Dr. Moore approaches each case with compassion and collaboration. She is known for her ability to help pet owners better understand their animals' health needs and for working alongside families to develop individualized treatment and wellness plans that support long, healthy lives. Her approachable communication style and thorough clinical care make her a natural fit for 30th Street Animal Hospital's relationship-focused approach to care.

"Dr. Moore's dedication to compassionate, high-quality veterinary care and her genuine commitment to building strong relationships with pets and their families make her a wonderful addition to our team," said a representative of 30th Street Animal Hospital. "Her expertise in internal medicine and chronic disease management will further strengthen the exceptional care we provide to the Indianapolis community."

Originally from Alabama, Dr. Moore brings both academic excellence and genuine personal warmth to her practice. Outside the clinic, she enjoys hiking, camping, and spending time outdoors with her husband and their three dogs, two poodles and a Labrador retriever.
