

A children's book inspired by a father's love for his son, who sees the world in his own special way.

Rome, Georgia Jun 4, 2026 (IssueWire.com) - We are all different. We see things differently. We feel things differently. That is what this book is about... *being different*.

Rhett's Wonderful World by Rafe Butler is a story of a curious young boy whose day at the park becomes a lesson for all of us about friendship, courage, and self-acceptance.

The story begins when one sunny day, wearing his red cap, carrying his trusty backpack, and holding his notebook, Rhett decides to explore the world around him. Throughout his journey, he meets a new friend, shares his colorful imagination, and learns to enjoy the little moments around him... just a bit differently.

"In Rhett's world, being different was something to celebrate."

This line makes the book especially powerful. [Rhett's Wonderful World](#) helps children understand autism through kindness. But that's not all, the book also speaks to parents, offering a heartfelt look at the joys and challenges of raising an autistic child. Inspired by his son, Rafe Butler writes with a heart full of love, patience, and hope that one day, children with autism will be seen, heard, accepted, and celebrated for who they truly are.

The book is now available on Amazon in both digital and print formats. Grab your copy today and step into ***Rhett's Wonderful World***.
