

A Riveting Southern Crime Saga of Secrets, Corruption, and Survival as Barbed Wire Unravels Georgia's Darkest Truths

Huntsville, Alabama Jun 11, 2026 (IssueWire.com) - Barbed Wire by Savanna Tyler-Vaughn is a gripping crime drama that takes readers deep into the rugged mountains of northern Georgia, where moonshine, corruption, and long-buried secrets shape everyday life. Published on Amazon Kindle on February 17, 2026, this compelling novel explores loyalty, survival, and the difficult choices people

make when justice and family ties collide.

About the book:

Set in a county where everyone knows each other and trust is often hard to find, *Barbed Wire* follows Federal Agent Jake Floyd, who has spent twenty-five years trying to shut down illegal operations hidden in the mountain backwoods. Standing in his way are Briar Mitchell, Eugene Styles, and Gator Chasten three men shaped by hardship, loyalty, and a way of life that refuses to bend to outside rules. As childhood wounds, political corruption, and personal struggles come to the surface, the mountains become the stage for a powerful battle between law and survival. Filled with sharp humor, unforgettable characters, and authentic Southern atmosphere, the novel offers readers an emotional and suspenseful journey that feels both entertaining and deeply human. It is a story that asks important questions about right and wrong while keeping readers hooked until the very last page.

About the Author:

Savanna Tyler-Vaughn delivers a memorable story that captures the heart of Southern culture while exploring the complex realities of crime, family, and redemption. Through vivid storytelling and relatable characters, *Barbed Wire* paints a powerful picture of a community where loyalty can be both a strength and a burden. Readers who enjoy gritty crime dramas, strong character development, and emotionally driven stories will find *Barbed Wire* a rewarding and unforgettable read.
