

America's Best in Medicine Features Madhish Patel, DO: Board-Certified Orthopedic Surgeon with Gardner Orthopedics

Advancing Patient Mobility Through Robotic Joint Replacement, Hip Preservation, and Surgical Innovation

Fort Myers, Florida Jun 23, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Madhish Patel, DO, is a board-certified orthopedic surgeon specializing in adult reconstruction, hip preservation, and advanced joint replacement surgery. Based in Fort Myers, Florida, he practices with Gardner Orthopedics, where he provides comprehensive care for patients requiring primary and revision hip and knee arthroplasty. Through a patient-centered approach and expertise in cutting-edge surgical technologies, Dr. Patel is helping individuals regain mobility, reduce pain, and return to the activities they enjoy.

Dr. Patel is highly skilled in robotic-assisted and computer-navigated joint replacement procedures and is certified in both the Mako and ROSA robotic surgical systems. By integrating advanced technology with personalized treatment plans, he works to optimize surgical precision, enhance recovery, and improve long-term outcomes for his patients.

“What I love most about what I do is the ability to give patients back their quality of life, quickly,” says Dr. Patel. “That’s pretty amazing and rewarding to me. Being able to make that kind of immediate, meaningful impact on someone’s life is what makes this work so fulfilling.”

His journey toward orthopedic surgery is built upon a strong academic and clinical foundation. Dr. Patel completed an Adult Reconstruction and Hip Preservation Fellowship at Desert Orthopaedic Center in Las Vegas, Nevada, where he received advanced training in complex hip and knee reconstruction procedures. He earned his Doctor of Osteopathic Medicine Degree from the Chicago College of Osteopathic Medicine at Midwestern University after completing a Master of Arts in Biomedical Sciences. Prior to medical school, he obtained a Bachelor of Science in Biological Sciences from Benedictine University.

Following medical school, Dr. Patel completed his Orthopedic Surgery Residency through Ascension Genesys Hospital and Michigan State University’s Statewide Campus System. During his residency, he developed extensive expertise in orthopedic care, surgical techniques, and patient management, preparing him for a career focused on restoring function and improving quality of life for individuals facing musculoskeletal challenges.

In addition to his clinical responsibilities, Dr. Patel is deeply committed to advancing orthopedic education. He currently serves as Fellowship Faculty and Co-Director for the Ortho Florida Adult Reconstruction Fellowship, where he helps train and mentor the next generation of orthopedic specialists. His dedication to education also includes service as a faculty instructor for advanced hip and knee educational programs, including the Alumni Faculty IEP Hip and Knee Fellows Course in Tampa, Florida.

As an active member of the AOA Resident and Fellow Committee, Dr. Patel continues to contribute to professional development initiatives that support orthopedic residents and fellows nationwide. Through mentorship and education, he seeks to elevate standards of care while fostering the growth of future leaders in orthopedic medicine.

Dr. Patel’s commitment to excellence extends into research and academic scholarship. He has authored and contributed to numerous publications focused on orthopedic outcomes, surgical innovations, and patient recovery. His scholarly work has appeared in respected publications, including the *Journal of the Pediatric Orthopaedic Society of North America (JPOSNA)* and *StatPearls*.

His research interests include joint arthroplasty outcomes, catastrophic trunion failure in total hip replacement, reverse total shoulder arthroplasty, and factors influencing postoperative recovery and discharge planning. He has presented his findings at prominent professional meetings, including the

Nevada Orthopaedic Society and the American Academy of Orthopaedic Surgeons Annual Meeting, contributing valuable insights to the orthopedic community.

Dr. Patel maintains active membership in several leading professional organizations, including the American Association of Hip and Knee Surgeons, the American Academy of Orthopaedic Surgeons, the American Osteopathic Academy of Orthopedics, and the American Osteopathic Association. These affiliations allow him to remain at the forefront of advancements in orthopedic surgery while continually refining his skills and knowledge.

Outside of medicine, Dr. Patel enjoys an active lifestyle that reflects the same principles of discipline, perseverance, and teamwork that define his professional career. A former member of Uganda's Under-15, Under-19, and National Cricket Teams, he developed a lifelong appreciation for leadership and dedication through competitive athletics. Today, he continues to pursue adventure and wellness through activities such as biking, hiking, and shark cage diving.

Through his clinical expertise, commitment to innovation, passion for education, and dedication to research, Dr. Madhish Patel continues to make a meaningful impact in orthopedic surgery. By helping patients restore mobility and reclaim their quality of life, he remains focused on delivering exceptional care while advancing the future of joint reconstruction and hip preservation medicine.
