

# **America's Best in Medicine Features Ruben Roncallo, MD: Board-Certified Pediatrician and Founder of Border Pediatrics**

Advancing Pediatric Care and Improving Health Outcomes for Children and Families in the El Paso Community

**El Paso, Texas Jun 30, 2026 ([IssueWire.com](https://www.IssueWire.com))** - Ruben Roncallo, MD, is a board-certified pediatrician whose decades-long commitment to child health has made a lasting impact on families throughout the El Paso region. As the Founder of Border Pediatrics and a respected healthcare leader, Dr. Roncallo has dedicated his career to providing compassionate, high-quality medical care while advocating for the well-being of children from all backgrounds.

Born and raised in Colombia, Dr. Roncallo developed a passion for medicine at an early age. While still in high school, he witnessed the challenges faced by underserved families and saw firsthand how limited access to healthcare affected the lives of children. These experiences inspired him to pursue a medical career focused on improving health outcomes and expanding access to care.

Dr. Roncallo earned his Doctor of Medicine Degree from Universidad Metropolitana in Barranquilla, Colombia, where he completed his medical education and began his early clinical practice. In 1993, he relocated to the United States to continue his professional journey and further his training in pediatric medicine.

From 1994 to 2002, Dr. Roncallo served at Texas Tech University Health Sciences Center, where he strengthened his expertise in pediatric care and gained valuable experience caring for diverse patient populations. His dedication to children's health ultimately led him to establish Border Pediatrics in 2002, creating a practice devoted to serving the unique needs of families in the border region.

For nearly two decades, Border Pediatrics has been a trusted healthcare resource for countless children and parents throughout El Paso. Through his patient-centered approach and commitment to preventive care, Dr. Roncallo built lasting relationships within the community while helping young patients achieve healthier futures.

In 2020, he transitioned from private practice into public healthcare leadership when he joined University Medical Center of El Paso as Director of the Pediatric Clinic. In this role, Dr. Roncallo continues to oversee pediatric services and expand access to quality healthcare for children throughout the region. He also serves as Medical Director of the Juvenile Detention Center, where he oversees healthcare services for youth within the justice system, ensuring vulnerable populations receive the medical attention and support they need.

A particular area of focus throughout Dr. Roncallo's career has been caring for children with autism and supporting their families. His ongoing dedication to this population has helped improve access to specialized care and resources within the El Paso community.

In addition to his clinical responsibilities, Dr. Roncallo remains actively involved in professional and community organizations. He is a member of the American Academy of Pediatrics and the American Medical Association and serves on the boards of Insured America Insurance and El Paso Health Insurance, helping advance initiatives that improve healthcare access across the region.

Through his leadership, service, and unwavering commitment to pediatric medicine, Dr. Ruben Roncallo continues to make a meaningful difference in the lives of children and families, reinforcing his lifelong mission to ensure every child has the opportunity to thrive.
