

America's Best in Medicine Features Tania D. Gonzalez Fuentes, DMD, for Excellence in General and Cosmetic Dentistry

Puerto Rico Dentist and Co-Owner of Innovare Dental Provides Comprehensive, Patient-Centered Care with a Focus on Restorative and Aesthetic Dentistry

Salinas, Puerto Rico Jun 18, 2026 ([IssueWire.com](https://www.issuewire.com)) - Tania D. Gonzalez Fuentes, DMD, is a dedicated general and cosmetic dentist serving patients in Arecibo, Puerto Rico, where she co-owns Innovar Dental alongside her husband, a skilled dental technician. Since 2019, Dr. Gonzalez Fuentes has served as the sole provider at the practice, offering comprehensive dental services with an emphasis on cosmetic dentistry, restorative treatment, and personalized patient care.

Dr. Gonzalez Fuentes' passion for dentistry began at an early age. Inspired by her own pediatric dentist, she decided at just eight years old that she wanted to pursue a career helping others achieve healthy, confident smiles. That childhood aspiration became a reality when she earned her Doctor of Medicine in Dentistry Degree from the University of Puerto Rico School of Dental Medicine in 2017.

Following dental school, she completed an Advanced General Dentistry (AGD) program through NYU Langone in 2018, further strengthening her clinical expertise in comprehensive dental treatment. While she initially envisioned specializing in pediatric dentistry, her experiences during dental school revealed a strong affinity for cosmetic dentistry, ultimately guiding the direction of her career.

Today, Dr. Gonzalez Fuentes combines her training in general dentistry with advanced restorative and aesthetic techniques to provide individualized care tailored to each patient's needs. At Innovar Dental, she is recognized for her commitment to delivering exceptional outcomes while fostering a welcoming environment built on trust and compassion.

"I love everything about what I do. Dentistry is my passion," says Dr. Gonzalez Fuentes. "Even though I have three kids and feel very stressed at home, when I'm here at the office, I don't feel stressed. There's always stress because work is work, but I like to be here. This is like my special place where I can focus on what I love. I love to see my patients happy and bring them satisfaction with their outcomes. Creating beautiful smiles and seeing the joy on my patients' faces is what drives me every day."

For Dr. Gonzalez Fuentes, the most rewarding aspect of dentistry is witnessing the confidence and happiness her patients experience following treatment. The relationships she builds and the trust her patients place in her care continue to motivate her professional growth.

Looking toward the future, she plans to expand Innovar Dental by increasing the number of operatories and welcoming additional dentists to the practice, allowing her team to serve the growing needs of the community.

Despite the demands of balancing a thriving dental practice with raising three children, Dr. Gonzalez Fuentes remains deeply committed to her profession. Her enthusiasm for dentistry has never wavered, and she confidently states that, given the opportunity, she would choose the same path again.

Through her dedication to clinical excellence, aesthetic artistry, and compassionate patient care, Dr. Tania D. Gonzalez Fuentes continues to make a meaningful difference in the lives of those she serves throughout Puerto Rico.
