

## Bedworld Perth Launches Biggest Bed Frame Collection to Date

**Perth, Western Australia Jun 5, 2026 ([IssueWire.com](http://IssueWire.com))** - Perth's family-run sleep specialist marks over 20 years in the industry with a broadened collection of high-quality bed frames, continuing its commitment to helping Western Australians sleep better.

Bedworld, one of the leading bedroom furniture retailers, has announced that it is expanding its [bed frame warehouse in Perth](#). This means that Bedworld customers will have a selection of timber, upholstered, gas lift and storage bed frames to choose from, in all sizes. The company is doing this because more and more people in Western Australia want quality bedroom furniture that will last.

Bedworld started over twenty years ago as a family-run business that sold mattresses. Over time it has grown into a company that sells all sorts of sleep solutions. Today Bedworld has a range of premium bed frames in Perth including solid timber frames, fabric upholstered styles, modern gas lift storage beds and adjustable bases. The company chooses each product carefully thinking about how it is made how it looks and how useful it is.

"People in Perth have been trusting Bedworld for than 20 years and we take that trust very seriously. We do not just sell bed frames we listen to what people need in their bedrooms. Help them find something

that will last for years. The bed frames we have now are the result of talking to thousands of customers across Western Australia." \*

Bedworld Management, Perth

The Bedworld warehouse in Perth has bed frames in all sizes from single to king. This means that Bedworld can help all sorts of people from those who are furnishing their home to families who are replacing old bedroom furniture. The company also lets customers customise some of its products, choosing things like fabric colour, drawer configurations and headboard pairings. This gives customers flexibility without having to wait a long time for their furniture to be made.

Well as its physical warehouse Bedworld has an online store at [bedworldonline.com.au](http://bedworldonline.com.au). The company offers delivery to Perth customers who spend enough money. Bedworld keeps all of its stock on site so it can send out orders quickly. This means that customers do not have to wait for their furniture.

Bedworld sells products from known Australian brands like Slumbercare, A.H. Beard and Simply The Best. The company has relationships with these brands, which means it can offer high-quality products at competitive prices. This is especially good for customers who want premium bed frames in Perth without paying much money.

In the future, Bedworld plans to keep adding to its range of products and improving its customer service. The company also wants to expand its floor stock clearance section, which will make it easier for customers on a budget to buy quality furniture without spending too much money.
