

Catherine Davis, BSN, RN, Brings Entrepreneurial Insight and Renewed Passion to the Nursing Profession

Catherine Davis Brings Diverse Leadership Experience and Clinical Expertise to Cardiac Care at Northside Hospital Cherokee

Canton, Georgia Jun 19, 2026 ([Issuewire.com](https://www.issuewire.com)) - CANTON, GA — Catherine Davis, BSN, RN, has joined the Cardiac Unit at Northside Hospital Cherokee, bringing a unique blend of clinical expertise, healthcare industry experience, business leadership, and community engagement to the organization.

As a Registered Nurse in the Cardiac Unit, Davis provides comprehensive patient care utilizing evidence-based nursing practices, interdisciplinary collaboration, and advanced patient monitoring. Her responsibilities include assessing and responding to changing patient conditions, administering treatments, coordinating care with physicians and healthcare teams, and supporting quality improvement and patient safety initiatives.

Davis's professional journey reflects a remarkable combination of healthcare and entrepreneurial leadership. Prior to her current nursing role, she served as a Service Account Manager, where she successfully managed client relationships, coordinated service delivery, and implemented strategic account initiatives focused on customer satisfaction and operational excellence.

Her entrepreneurial accomplishments include co-owning and operating multiple successful businesses. As a joint owner of Partners II Pizza in Woodstock, Georgia, Davis oversaw the development and operation of a thriving restaurant employing approximately 50 team members. During her tenure, she helped create meaningful opportunities for employees and students through mentorship programs, community donations, and sponsored events. She also led the successful modernization and implementation of a franchise concept that contributed to the business's growth before its successful sale in 2021.

Additionally, Davis co-owned Cool Ohm LLC, a building automation services company, where she managed client relationships, sales operations, vendor negotiations, and financial administration. Her ability to build strong partnerships and deliver exceptional customer service contributed significantly to the company's success.

Earlier in her healthcare career, Davis held positions as a Surgical Consultant and DME Specialist, working closely with orthopedic surgeons, podiatrists, and medical professionals to support patient outcomes through innovative medical technologies and treatment solutions.

A graduate of the University of Alabama at Birmingham, Davis earned her Bachelor of Science in Nursing (BSN) and remains committed to delivering compassionate, high-quality patient care while continuing to serve her community through leadership and advocacy.

"Catherine's broad experience across healthcare, business leadership, and community engagement demonstrates a commitment to service, excellence, and positive impact," said a colleague. "Her diverse background brings valuable perspective and strength to patient care and team collaboration."

Through every stage of her career, Davis has demonstrated a dedication to helping others succeed—whether caring for patients, mentoring employees, supporting healthcare providers, or strengthening local communities.
