**Greenville, South Carolina Jun 4, 2026 ([IssueWire.com](https://www.IssueWire.com))** - Corey Poole, a dedicated REALTOR® with NorthGroup Real Estate, is making a significant impact in the real estate market across the Upstate of South Carolina. Serving Anderson, Greenwood, Pickens, and Spartanburg Counties, Corey combines his military background as a retired United States Army Master Sergeant with a passion for helping clients achieve their real estate dreams.

Corey's military service instilled in him the core values of discipline, integrity, and commitment to service, which he applies to every transaction. "Real estate is not just a job for me; it's a way to serve my community and help people find their place to call home," Corey explains. His expertise as a buyer agent, investment properties specialist, and military relocation expert makes him a trusted advisor for first-time homebuyers, families, and seasoned investors alike.

With a particular focus on guiding veterans and active-duty service members through the VA loan process, Corey understands the unique challenges faced by military families. His approach is personalized; he takes the time to understand each client's specific needs and goals, aligning them with current market conditions. This advocacy ensures that clients receive the best possible outcome, whether buying or selling a home.

His commitment to the community is evident in his affiliation with Homes for Heroes, a program dedicated to giving back to the military community by offering savings and support to those who have served. This initiative aligns with Corey's mission of assisting veterans and military families in finding their ideal homes in the Upstate.

Reflecting on his journey into real estate, Corey credits much of his success to the encouragement of his wife, who inspired him to pursue this rewarding career.
