

Digitech Services Inc. Announces Appointment of Bhaskar Panigrahi to Board of Directors

Seasoned technology leader with over 21+ years of experience to support strategic growth and innovation

Phoenix, Arizona Jun 11, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Digitech Services Inc. today announced the appointment of Bhaskar Panigrahi to its Board of Directors. Bhaskar brings over 21+ years of leadership experience as a Chairman, Founder, and CEO, with a strong track record of building and scaling high-impact companies.

Over the course of his career, Bhaskar has successfully launched, built, and generated shareholder value across multiple ventures, including leading financing initiatives and public offerings. He has also played a key role in promoting technology companies in a non-founder capacity, raising over \$250M in funding, and contributing to their strategic growth and market positioning.

His expertise spans IT Services, Clean Energy, and Software, with deep experience in driving innovation, scaling operations, and building sustainable business models.

Bhaskar currently serves as Chairman of ConnectM Technology Solutions Inc., a leader in IoT applications and data science. He is also actively involved as an advisor and board member across organizations, including Cambridge Energy Holdings, CCI Energy, Blue Cloud Ventures and Blustream Corporation, bringing strategic insights to growth-stage and enterprise technology companies.

He holds a degree in Computer Science from the National Institute of Technology, Karnataka and has further strengthened his business acumen through programs at Harvard Business School. An alumnus of NIT Karnataka and Harvard Business School, he brings a strong blend of technical depth and strategic leadership.
