

## **From blueprints to the runway: architect minni bajaj debuts custom designs at cannes, championing diversity**

**Airdrie, Alberta Jun 19, 2026 ([Issuewire.com](http://Issuewire.com))** - Architect, designer, and entrepreneur Minni Bajaj (MB) made a remarkable red-carpet debut at the 79th Cannes Film Festival, successfully blending the worlds of structural design and high fashion. Known for her creativity and innovative approach, Bajaj showcased her passion for design on one of the world's most prestigious international stages.

#### A GLOBAL PLATFORM FOR WOMEN'S EMPOWERMENT

Bajaj Cannes debut marks the beginning of an exciting international journey. She has officially joined Global Glam Fashion Production as an International Marketing Partner, a role that reflects her commitment to supporting diversity, inclusion, and opportunities for women across industries. Through this partnership, she aims to inspire aspiring entrepreneurs, designers, and professionals worldwide.

#### REDEFINING FASHION THROUGH DESIGN

Having relocated from India to Canada in 2017, Bajaj unveiled two custom-designed creations at Cannes: The "Blossoming Roots" Gown and "The Boss Look." Both designs celebrate cultural heritage, confidence, and individuality while reflecting her unique ability to combine artistic vision with technical precision.

#### CELEBRATING AUTHENTIC CREATIVITY IN THE AGE OF AI

In an increasingly digital and AI-driven world, Bajaj's work serves as a reminder of the enduring value of human creativity, craftsmanship, and authentic artistic expression. Her Cannes appearance highlights the power of innovation, diversity, and personal storytelling through design.
